

MUNICIPAL CODE OF THE VILLAGE OF LAKE NEBAGAMON

Preface

Democracy is a government of laws. Good democracy requires not only good laws, but laws which are readily available in written form to all who are subject to the public officials and police officers who must administer them and to the judges and attorneys who must interpret and apply them. It is for this reason that the Village Board of Lake Nebagamon has adopted this code of general ordinances. This code represents the contribution of the Village Board to the democratic and efficient administration of the government and affairs of the Village of Lake Nebagamon, June 2016.

 10. **Overpowering** No boat shall be equipped with any motor or other propulsion machinery beyond its safe power capacity, taking into consideration the type and construction of such watercraft and other existing operating conditions.
 11. **Unnecessarily Sounding Whistles** No person shall unnecessarily sound a horn, whistle or other sound producing device on any boat while at anchor or underway. The use of a siren on any except duly authorized patrol boats on patrol or rescue duty is prohibited.
 12. **Molesting or Destroying Aids to Navigation & Regulatory Markers** No unauthorized person shall move, remove, molest, tamper with, destroy or attempt to destroy, or moor or fasten a boat (except mooring buoys) to any navigation aids or regulatory markers, signs or other devices established and maintained to aid boaters.
- F. **Water Skiing** Prohibited at certain times, exceptions:
1. Except as provided no person may operate a motorboat towing a person on water skis, aquaplane, or similar device unless there is in the boat a competent person in addition to the operator in a position to observe the progress of the person being towed. An observer shall be considered competent if he can in fact observe the person being towed and relay any signals to the operator. This observer requirement does not apply to motorboats classified as Class A motorboats by the department actually operated by the person being towed and so constructed as to be capable of carrying the operator in or on the motorboat. No person may engage in water skiing, aquaplaning, or similar activity, at any time from sunset to sunrise.
 2. No boat-towing persons engaged in water skiing, aquaplaning or similar activity on Lake Nebagamon shall engage in such activity within 100 feet for any occupied anchored boat or marked swimming area or public boat landing within 100 feet of the restricted area.

- G. Skin-diving No person may engage in underwater diving or swimming with the use of swimming fins or skin diving in waters other than marked swimming areas within 100 feet of restricted area described in Section 5.
- H. Penalties Any person violating any provision of this ordinance shall be subject to the penalties described in Wis. Stat. § 30.80.

§4.08 ENFORCEMENT

- A. Stipulation of Guilt Upon request of any person charged with a violation of any provision of this chapter within 48 hours after issuance of a citation, therefore, a police officer as defined in this code may accept a written stipulation of guilt.

§5.07 EMERGENCY MANAGEMENT – N.I.M.S. (National Incident Management System)

- A. Definitions
 - 1. Emergency Management shall mean the preparation for, and the carrying out, of all emergency functions other than functions for which the military forces are primarily responsible, to minimize and repair injury and damage resulting from disaster caused by enemy attack, sabotage or other hostile action or by fire, flood or other natural causes.
 - 2. N.I.M.S. The National Incident Management System provides a consistent nationwide approach for Federal, State, Local, and Tribal governments to work together more effectively and efficiently to prevent, prepare for, or respond to and recover from domestic incidents, regardless of cause, size, or complexity. Attached resolution adopted 9/6/2006.
- B. Director The Fire Chief shall be the executive head of Emergency Management and shall have direct responsibility for the organization, administration, and operation of emergency management. In addition to such powers and responsibilities, he shall have the authority and it shall be his duty to:
 - 1. Coordinate all activities of emergency management within the Village.

2. Maintain liaison and cooperate with emergency management agencies and organizations of the State and Federal Government.
 3. Participate in county and State N.I.M.S. activities upon request.
 4. Prepare a comprehensive general plan for emergency management of the Village and present such a plan to the Village Board for approval.
 5. Subject to the approval of the Village Board, enter into mutual aid agreements with other political subdivisions and file copies of any such agreements with the State.
 6. Upon the declaration of an emergency, issue all necessary proclamations as to the existence of such state of emergency and such disaster warnings or alerts as shall be required in the emergency management plan.
- C. Utilization of Existing Services and Facilities In preparing and executing the emergency management plan, the fire department shall utilize the services, equipment, supplies, and facilities of the existing departments and agencies of the Village to the maximum extent practicable. When the Village Board has approved the plan, it shall be the duty of all municipal agencies and departments of the Village to perform the duties and functions assigned by the approved plan.
- D. Declaration of Emergencies The emergency management plan shall be put into action only after the declaration of an emergency and issuance of official disaster warnings. Declaration of emergency shall be made by the Governor, the Village Board, and the Village President. Such state of emergency shall continue until terminated by the issuing authority, provided that any declaration not issued by the Governor may be terminated by the Village Board.
- E. Obstruction of Defense Organization; Penalty No person shall willfully obstruct, hinder or delay any member of the Village of Lake Nebagamon executing the emergency management plan in the enforcement of any order, rule, regulation or plan issued pursuant to this section or violate any order, rule, regulation or plan issued pursuant to the authority contained in this section. Any person who shall violate any provision of this section shall upon conviction, thereof be subject to a penalty as provided in § 15.04 of this code.

§5.08 PENALTIES

The penalty for violation of any provision of this chapter shall be a penalty as provided in § 15.04 of this code.

RESOLUTION INTRODUCED BY THE VILLAGE BOARD
OF THE VILLAGE OF LAKE NEBAGAMON
DESIGNATING NATIONAL INCIDENT MANAGEMENT SYSTEM (N.I.M.S.)
AS THE BASIS FOR ALL INCIDENT MANAGEMENT IN THE
VILLAGE OF LAKE NEBAGAMON

WHEREAS, the President in Homeland Security Directive (HSPD)-5, directed the Secretary of the Department of Homeland security to develop and administer a National Incident Management System (N.I.M.S.), which would provide a consistent nationwide approach for Federal, State, Local, and Tribal governments to work together more effectively and efficiently to prevent, prepare for, respond to and recover from domestic incidents, regardless of cause, size or complexity;

WHEREAS, it is necessary and desirable that all Federal, State, Local and Tribal emergency agencies and personnel coordinate their efforts to effectively and efficiently provide the highest levels of incident management;

WHEREAS, to facilitate the most efficient and effective incident management it is critical that Federal, State, local and Tribal organizations utilize standardized terminology, standardized organizational structures, interoperable communications, consolidate account plans, unified command structures, uniform personnel qualification standards, uniform standards for planning, training, and exercising, comprehensive resource management, and designated incident facilities during emergencies or disasters;

WHEREAS, the N.I.M.S. standardized procedures for managing personnel, communications, facilities and resources will improve the State's ability to utilize federal funding to enhance local and state agency readiness, maintain first responder safety and streamline incident management processes;

WHEREAS, the Incident Command System components of N.I.M.S. are already an integral part of various incident management activities throughout the state, including current emergency management training programs; and

WHEREAS, the National Commission of Terrorist Attacks (9-11 Commission) recommended adoption of a standardized Incident Command System;

NOW, THEREFORE, be it resolved that the Village of Lake Nebagamon Board of the Village of Lake Nebagamon do hereby establish the National Incident Management System.

Neil Hensrud, Village President

Swan S. Dawson, Clerk

VILLAGE OF LAKE NEBAGAMON
VOLUNTEER FIRE DEPARTMENT
BY-LAWS

BE it ordained by the Village of Lake Nebagamon, that a Department to be known as the Lake Nebagamon Volunteer Fire Department, the object of which shall be the prevention of fire and the protection of life and property within the limits of the Village of Lake Nebagamon is hereby created as follows:

1. The force shall consist of one chief, one assistant chief, three fire department captains, and a secretary. Election of all officers shall be by secret ballot of the members.
2. All officers will be elected by the members by ballot and approved by the Village board at the June Board meeting in odd numbered years. Voting may be by proxy. All positions will take effect on June 1 with it understood that approval will be at the Village Board meeting in June. Election of Chief will be in even numbered years and Assistant Chief will be elected in odd numbered years beginning in 2010. All officers shall have a minimum of entry level firefighter completion. Basic skill sets to be 50% within a year to maintain officer status.

All members will receive notification and a ballot to vote. If no competition, no ballots need to be issued.

- ❖ Chief: Nominations for chief shall be the first meeting in April with results by the second meeting in April. Even numbered years.
- ❖ Assistant Chief: Nominations for Assistant Chief will be the first meeting of April with results by the second meeting in April. Odd numbered years.
- ❖ Other officers: Nominations for all Captains and Secretary will be the first meeting in May and results by the last meeting in May. Odd numbered years.

Ballots will be sent out and received by the Village Clerk at PO Box 517, Lake Nebagamon, WI, 548489. Clerk will submit ballots per above instructions to the Fire Department. Ballots will be opened at regular Thursday evening meeting with the assistance of the Safety Chair or another appointed Board member if Chair is not available.

3. Each officer shall be elected for a term of two years.
4. All members shall be residents of the Village of Lake Nebagamon. Non-residents may be members with recommendation of the Chief.
 - a. Fire Chief shall be a resident of the Village of Lake Nebagamon.
5. Chain of command would go from Chief to Assistant then to Captains. First on the scene of fire is in charge until a higher ranking officer arrives.

6. Duties of the Force: The Chief shall have full charge of the operating of the Department at fires and other emergencies per state Chapter 213.
7. The Assistant Chief and captains shall have some duties and obligations as the Chief upon the absence of Chief.
8. No equipment shall be removed from the Fire Hall without permission of the Chief. A sign-up sheet will be at the hall when equipment is removed.
9. No person not a member of the Department, unless authorized by a Department officer, shall ride on apparatus or handle equipment.
10. Regular meetings and drills shall be held the second and last Thursdays each month at 6:30pm unless changed by Chief or department.
11. Stipends for meeting and class attendance is not to exceed twenty-two (22). You must attend a minimum of at least one half of the meeting per year to qualify for the annual stipend. Total of all meetings to qualified people divided by total stipend amount to equal per meeting stipend. Trainings attended out of area and paid by Fire Department, member attending shall give a training or report at regular fire meeting. Within two years of being on the Fire Department, you must at least be trained (entry level) or lose stipend. To qualify for stipend you must respond to at least 20% of the calls in a year. Current members on Department will be given a one year grace period to meet the entry level fire training or forfeit the stipend. January 2011 would be the first date of qualification. Two (2) extra trainings may be used to replace missed meetings.
12. The incentive program is new as of January 1, 2015. The incentive program is where we reward members of the Department for their activity and continuing commitment to the community for being on the fire department. The Board budgeted an additional \$8000.00 which will be used for a pay per call at the rate of \$10.00/per call responded to. For each call that is responded to a log in book with a signature of each firefighter must be signed in order to get credit for the call. If the amount is not all used I the year it will be rolled over into the regular stipend explained in number 11. If a call is called off, no one gets credit for the call.
13. Robert's Rules of Order shall prevail at all business meetings.
14. In case of vacancy of any officer except Chief, appointment shall be made by Chief with the approval of other officers to fill the unexpired term. Appointment of Chief by Village Board per Municipal Village Ordinance.
15. No fire department member shall respond to an emergency call if they have been drinking alcoholic beverages or mind altering drugs, zero tolerance.
16. Applications for Fire Department members will be received and placed on file. By June 1, 2011 all members shall have an application on file and be willing to have a background

check and drug testing when applicable. Each year in January all Fire Department members shall produce their Wisconsin Driver License to the Village of Lake Nebagamon. Failure to have a valid driver license on file will prohibit any person from driving any Village owned vehicle. Copies will be placed on file for insurance purposes in the Village office. Felony violations will be addressed by officers of the Fire Department. Every new Fire Department member will be subject to a one year probationary period.

17. Inappropriate action on a scene of an incident will not be tolerated. Insubordination will not be allowed on a scene. Anyone leaving a scene shall report into incident command or the officer on scene before leaving.
18. Verbal and written warnings for violations of the Fire Department rules and regulations will be adhered to. Three strike policy will be adhered to as follows; oral and written discipline shall be given to any member in gross neglect of duty or insubordination within a one year period. Any of the above violations could result in termination.

CHAPTER 6

PUBLIC WORKS

- §6.01 Street & Sidewalk Grades
- §6.02 Sidewalk Construction and Repair
- §6.03 Driveways
- §6.04 Street & Sidewalk Excavations & Openings
- §6.05 Obstructions and Encroachments
- §6.06 Snow & Ice Removal
- §6.07 Tree Trimming & Sanitation

§6.01 STREET & SIDEWALK GRADES

- A. Establishment The grade of all streets, alleys and sidewalks shall be established by resolution by the Village Board and the same recorded by the Village Clerk in his/her office. No street, alley or sidewalk shall be worked until the grade thereof is established.
- B. Alteration of Grade Prohibited No person shall alter the grade of any street, alley, sidewalk or public ground or any part thereof in the Village of Lake Nebagamon by any means whatsoever unless authorized or instructed to do so by the Village Board or the Administrator. All such alterations of grade shall be recorded in the office of the Village Clerk by the Clerk or the officer authorizing the alteration.
- C. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

§6.02 SIDEWALK CONSTRUCTION AND REPAIR

- A. Owner to Construct It shall be the duty of the abutting owner to build, repair, construct and perpetually maintain sidewalks along or upon any street, alley or highway in the Village of Lake Nebagamon and to pay the entire cost thereof. Whenever the Village Board shall by resolution determine that a sidewalk be laid, rebuilt, repaired, lowered or raised along or upon any public street, alley or highway within the Village of Lake Nebagamon, it shall proceed according to Wis. Stat. § 66.615.
- B. Permit Required No person shall hereafter lay, remove, replace or repair any public sidewalk within the Village of Lake Nebagamon unless he is under contract with the Village to do such work or has obtained a permit therefore from the Zoning Administrator at least seven days before work is proposed to be undertaken. No fee shall be charged for such permits. Wis. Stat. § 66.0901, 66.0903, 66.0905, 66.0907, 66.0909, and 66.0911.

C. Specifications (Optional) All sidewalks within the Village of Lake Nebagamon hereafter shall be repaired, rebuilt and constructed in accordance with the following specifications.

1. Sub-grade The subgrade shall be prepared by excavating to the line, grade, and cross section as established by the Village Board. Soft and unsuitable material shall be removed and replaced with sand or other satisfactory material, and the subgrade shall be thoroughly and uniformly compacted and moistened immediately before the concrete is placed. When so specified by the Zoning Administrator a subbase of sand, sand and gravel, or other approved porous material shall be placed under the sidewalk. On embankments, the subgrade shall extend at least one foot beyond each edge of the sidewalk.
2. Material All sidewalks shall be of air-entrained concrete composed of six bags per cubic yard of one course construction, and built to the established line and grade. Gravel shall be of good quality and washed. Concrete shall be mixed thoroughly for a minimum of one minute after all materials have been placed in the mixer.
3. Forms Concrete shall be placed in straight forms of wood or metal of sufficient strength to resist springing, tipping, or other displacement during the process of depositing and consolidating the concrete. Wood forms shall be surfaced plank of at least two inches thickness except for sharply curved sections. Metal forms shall be of approved section. The forms shall be of full depth of the required walk and shall be of such design as to permit secure fastening. Forms shall be thoroughly cleaned and oiled before the concrete moist subgrade, deposited just above the finished grade and consolidated and spaded sufficiently to bring the mortar to the surface and prevent honeycombing. It shall then be struck off level with the top of the forms and finished with wooden flats.

To provide adequate drainage the sidewalk shall slope toward the curb at a minimum rate of $\frac{1}{4}$ inch per foot of width of sidewalk. All joints and edges shall be finished with a $\frac{1}{4}$ inch radius-edging tool.

4. Width and Thickness Residential walks shall be five feet in width and not less than four inches thick except within driveway approaches where the minimum thickness shall be six inches, provided that walks in residential areas may be repaired or replaced to a width not less than the existing width on the effective date of this section. Sidewalks in front of commercial or industrial establishments shall be not less than eight feet in width and five inches in thickness except within driveway approaches where the minimum thickness shall be seven inches.
5. Finishing Before the last finish has set, the sidewalk shall be steel troweled and brushed in transverse direction. Before final finishing, the surface shall be checked with a ten foot straight edge and any areas departing more than $\frac{1}{8}$ inch

from the testing edge shall be corrected by adding or removing concrete while the concrete in the walk is still plastic.

6. Jointing Transverse, full depth, ½ inch thick expansion joints of pre-molded expansion material shall be located every 40 feet and at the property line, and where the walk intersects another walk, curb line, building or driveway approach, and at buildings, walls, poles and stop boxes. The expansion joint material shall be placed in a neat and workmanlike manner with its upper edge slightly below the finished sidewalk surface. Dummy groove joints for controlled cracking, at least one inch in thickness and 5/16 inch in depth, shall be placed at intervals of approximately five feet. Steel division plates shall be placed at right angles to the centerline of the sidewalk at interval of not less than 15 feet. All joints shall be at right angles to the direction and grade of the walk. Diagonal joints may be used only when approved by the Public Works Department.
7. Curing and Drying As soon as any of the concrete work hereinbefore mentioned has been finished and hardened sufficiently to prevent excessive marring of the surface, it shall be cured and protected against rapid drying. Failure to comply with this requirement shall be deemed sufficient cause for suspension of the work. Curing shall be accomplished by the “Impervious Coating”, “Wet Fabric”, or “Paper” methods. For impervious coating or membrane curing, only those materials meeting requirements of ASTM Specs. C156-44T, “Method of Test for Efficiency of Materials for Curing Concrete” shall be used. Said specifications are hereby adopted by reference as is fully set forth herein. Walks shall be kept free from all traffic at normal temperatures for 48 hours and in cold weather (below 50 degrees F), for 96 hours. No concrete shall be poured when the temperature may be expected to fall below 35 degrees F. in any 72 hour period or upon frozen sub-grade.

D. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

§6.03 DRIVEWAYS

- A. Approval Required No person shall construct or maintain any driveway across any sidewalk or curbing without first obtaining a driveway permit from the Zoning Administrator in cooperation with the Public Works Department.
- B. Specifications for Driveway Construction
 1. Width No driveway shall exceed 24 feet in width at the outer or street edge of the sidewalk unless special permission is obtained from the Village Board.
 2. Interference with Intersections Prohibited At street intersections a driveway shall not provide direct ingress or egress to or from the street intersection area and shall not occupy areas of the roadway deemed necessary by the Village Board for effective traffic control or for highway signs or signals.

3. Interference with Street No driveway apron shall extend out into the street further than the face of the curb, and under no circumstances shall such driveway apron extend into the gutter area. All driveway entrances and approaches shall be so constructed that they shall not interfere with the drainage of streets, side ditches, or roadside areas or with any existing structure on the right of way. When required by the Public Works Department to provide for adequate surface water drainage along the street, the property owner shall provide any necessary culvert pipe at his own expense.
 4. Number of Approaches Limited No more than one driveway entrance and approach shall be constructed for any lot or premises except where deemed necessary and feasible without undue impairment of safety, convenience and utility of the street by the director of Public Works. Any two approaches shall be at least ten feet apart.
 5. Workmanship and Materials All driveway entrances and approaches which are constructed across sidewalks shall be paved in accordance with the requirements for sidewalk construction in § 6.02(C) of this code insofar as such requirements are applicable, including thickness requirements in § 6.02(C)(4).
 6. Permittee Liable for Damage of Injury The permittee shall assume all responsibility for any injury or damage to persons or property resulting directly or indirectly during construction or repair of driveway approaches or entrances. When curb or gutter is removed, the new connection shall be of equivalent, acceptable material and curb returns provided or restored in a neat, workmanlike manner. Any sidewalk areas, which are damaged or are inadequate by reason of vehicle travel across the sidewalk, shall be replaced in accordance with the requirements of § 6.02(C) of this code.
- C. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

§6.04 STREET AND SIDEWALK EXCAVATIONS AND OPENINGS

- A. Permit Required No person shall make or cause to be made any excavation or opening in any street, alley, highway, sidewalk, or other public way within the Village of Lake Nebagamon without first obtaining a permit therefore from the Zoning Administrator.
- B. Bond Before a permit for excavation or opening any street or public way may be issued; the applicant must execute and deposit with the Village Clerk an indemnity bond, approved by the Village President, in the sum of \$5000. Conditioned that he will indemnify and save harmless the Village of Lake Nebagamon and its officers from all liability for accidents and damage caused by any of the work covered by his/her permit. And that he/she will fill up and place in good and safe condition all excavations and openings made in the street and will replace and restore the pavement over any opening he/she may make as near as can be to the state and condition in which he/she found it,

and keep and maintain the same in such condition, normal wear and tear excepted, to the satisfaction of the Zoning Administrator for a period of one year, and that he/she will pay all fines imposed upon him/her for any violation of any rule, regulation or ordinance governing street openings or drainlaying adopted by the Village Board, and will repair any damage done to existing improvements during the progress of the excavation in accordance with the ordinances, rules and regulations of the Village. Such bond shall also guarantee that if the Village shall elect to make the street repair, the person opening the street will pay all costs of making such repair and of maintaining the same for one year.

Recovery on such bond for any accident, injury violation of law, ordinance, rule or regulation shall not exhaust the bond but it shall cover any and all accidents, injuries, or violations during the period of excavation for which it is given.

An annual bond may be given under this section covering all excavation work done by the principal for one year beginning January 1, which shall be conditioned as specified above and in the amount determined by the Village Board as necessary to adequately protect the public and the Village.

C. Insurance Prior to commencement of excavation work, a permittee must furnish the Village Office satisfactory written evidence that he/she has in force and will maintain during the life of the permit and the period of excavation, public liability insurance of not less than \$100,000 for one person, \$300,000 for one accident and property damage insurance of not less than \$50,000.

D. Regulations Governing Street and Sidewalk Openings

1. Frozen Ground No opening in the streets or sidewalks for any purpose shall be permitted when the ground is frozen, except where necessary as determined by the Public Works Department and filed in the Village Office.
2. Removal of Paving In opening any street or other public way, all paving or ballasting materials shall be removed with the least possible loss of or injury to surfacing material and together with the excavated material from trenches shall be placed so as to cause the least practical inconvenience to the public and permit free flow of water along gutters.
3. Protection of Public Every person shall enclose with sufficient barriers each opening, which he may make in the streets of public ways of the Village. All machinery and equipment shall be locked or otherwise effectively safeguarded from unauthorized use when not being used by the permittee, his/her agents, or employees. Red lights or torch lamps shall be kept burning from sunset to sunrise, in the street or way and other lights sufficient in number and properly spaced to give adequate warning. Except by special permission from the Village Administrator, no trench shall be excavated more than 250 feet in advance of pipe laying nor left unfilled more than 500 feet where pipe has been laid. All necessary precautions shall be taken to guard the public effectually from accidents or damage to persons or property through the period of the work. Each person

making such opening shall be held liable for all damages, including costs incurred by the Village in defending any action brought against it for damages, as well as cost of any appeal, that may result from the neglect by such person or his/her employees of any necessary precaution against injury or damage to persons, vehicles or property of any kind.

4. Replacing Street Surface In opening any street or sidewalk, the paving materials, sand, gravel and earth or other material moved or penetrated and all surface monuments or hubs must be removed and replaced as nearly as possible in their original condition or position and the same relation to the remainder as before. Any excavated material which in the opinion of the Public Works Department is not suitable for refilling, shall be replaced with approved backfill material. All rubbish shall be immediately removed, leaving the street or sidewalk in perfect repair, the same to be so maintained for a period of one year. In refilling the opening, the earth must be laid in layers not more than six inches in depth and each layer rammed, tamped or flushed to prevent after-settling. When the sides of the trench will not stand perpendicular, sheathing and braces must be used to prevent caving. No timber, bracing, lagging, sheathing or other lumber shall be left in any trench. The Village may elect to have the Village make the pavement repair for any street or sidewalk opening, in which case the cost of making such repair and of maintaining it for one year shall be charged to the person making the street opening.
- E. Excavation in New Streets Limited Whenever the Village Board determines to provide for the permanent improvement or repaving of any street, such determination shall be made not less than 30 days before the work of improvement or repaving shall begin. Immediately after such determination by the Village Board, the Village Office shall notify in writing each person, utility, Village department or other agency owning or controlling any sewer, water main, conduit or other utility in or under said street or any real property abutting said street, that all such excavation work in such street must be completed within 30 days. After such permanent improvement or repaving, no permit shall be issued to open, cut or excavate said street for a period of five years after the date of improvement or repaving unless the opinion of the Public Works Department an emergency exists which makes it absolutely essential that the permit be issued.
- F. Emergency Excavations Authorized In the event of an emergency any person owning or controlling any sewer, water main, conduit or utility in or under any street and his agents or employees may take immediate proper emergency measures to remedy dangerous conditions for the protection of property, life, health or safety without obtaining an excavation permit; provided that such person shall apply for an excavation permit not later than the end of the next succeeding business day and shall not make any permanent repairs without first obtaining an excavation permit hereunder.
- G. Village Work Excluded The provisions of this section shall not apply to excavation work under the direction of the Public Works Department by Village employees or contractors performing work under contract with the Village necessitating openings or excavations in Village streets.

- H. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

§6.05 OBSTRUCTIONS AND ENCROACHMENTS

- A. Obstructions and Encroachments Prohibited No person shall encroach upon or in any way obstruct or encumber any street, alley, sidewalk, public grounds or land dedicated to public use or any part thereof or permit such encroachment or encumbrance to be placed or remain on any public way adjoining the premises of which he/she is the owner or occupant except as provided in sub. (B).
- B. Exceptions The prohibition of sub. (A) shall not apply to the following:
1. Signs or clocks attached to the buildings which project not more than six feet from the face of such building and which do not extend below any point ten feet above the sidewalk, street, or alley.
 2. Awnings, which do not extend below any point seven feet above the sidewalk, street, or alley.
 3. Public utility encroachments duly authorized by state law or the Village Board.
 4. Goods, wares, merchandise or fixtures being loaded or unloaded which do not extend more than three feet on the sidewalk, provided such goods, wares, etc., do not remain thereon for a period of more than two hours.
 5. Temporary encroachments or obstructions authorized by permit under sub. (C).
 6. Excavations and openings permitted under § 6.04 of this code.
- C. Street Privilege Permit
1. When Required Permit for the use of the streets, alleys, sidewalks or other public ways or places of the Village may be granted to applicants by the Zoning Administrator for the purpose of moving any building or structure or of encumbering the street, alley, sidewalk or way with materials necessary in and about the construction or demolition of any building or structure. Provided such applicant has complied with the other requirements of this subsection and has obtained a building permit if required by Zoning Ordinance represented in § 8.01 of this Ordinance.
 2. Bond No street privilege permit shall be issued until the applicant shall execute and file with the Village Clerk a bond in an amount determined by the Village Board. Conditioned that the applicant will indemnify and save harmless the Village of Lake Nebagamon from all liability for accidents or damage caused by reason of operations under said permit and will remove such encumbrance upon termination of the operations and will leave the vacated premises in a clean and sanitary condition and repair any and all damage to the streets, alleys, sidewalks or public property of the Village resulting from such building or moving operations.
 3. Conditions of Occupancy The permission to occupy or obstruct the streets, alleys, sidewalks or public grounds is intended only for use in connection with the

actual erections, alteration, repair, removal, or moving of buildings or structures and shall be given upon the following terms and conditions and subject to revocation without notice by the Zoning Administrator for violation thereof:

- a) Such temporary obstruction shall cover not more than 1/3 of any street or alley.
- b) Obstructions shall be sufficiently lighted at night so as to be in full view of the public from all directions.
- c) Sidewalk traffic shall not be interrupted, but temporary sidewalks of not less than four feet in width, guarded by a closed fence at least four feet high on both sides may be maintained during the period of occupancy.
- d) The process of moving any buildings or structure shall be as continuous as practicable until completed, and shall continue during all hours of the day and night.
- e) No building or structure shall be allowed to remain overnight on any street crossing or intersection or so near thereto as to prevent easy access to any fire hydrant.
- f) Buildings shall be moved only in accordance with the route prescribed by the Village Office.
- g) Upon termination of the work necessitating such obstructions, all parts of the streets, alleys, sidewalks, or public grounds occupied under the permit shall be vacated, cleaned of all rubbish and obstructions, and placed in a safe condition for public travel at the expense of the permittee.

4. Termination All street privilege permits shall automatically terminate at the end of three months from the date of issuance unless an earlier termination date is specified thereon at the direction of the Zoning Administrator.

D. Removal by Village In addition to any other penalty imposed, if the owner or occupant of the premises adjoining any unlawfully obstructed sidewalk shall refuse or neglect to remove such obstruction within 24 hours after notice from the Village Office to do so, it shall be the duty of the Public Works Department to remove such obstruction and make return of the cost and expense thereof to the Village Clerk who shall enter such cost on the next annual tax roll as a special charge against the property abutting such obstructed sidewalk, and such sum shall be levied and collected as other special taxes against real estate.

E. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

§6.06 SNOW AND ICE REMOVAL

A. Responsibility of Owner, Occupant, Etc. The owner, occupant or person in charge of each and every building or structure or unoccupied lot in the Village of Lake Nebagamon fronting or abutting any street shall clean or cause to be cleaned the sidewalk in front of or adjoining each such home, building or unoccupied lot as the case may be of

snow or ice to the width of such sidewalk by 10:00am of each day and shall cause the same to be kept clear from ice and snow, provided that when the ice has formed on any sidewalk so that it cannot be immediately removed, the persons herein referred to shall keep the same sprinkled with ashes, sawdust or sand; provided also, that in case snow shall continue to fall during and after 10:00am, then it shall be removed within three hours of daylight after it shall cease to fall.

- B. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code. A separate offense shall be deemed committed during each hour or part thereof during which a violation occurs or continues.

§6.07 TREE TRIMMING AND SANITATION

- A. Trees to be Kept Trimmed Trees standing in and upon any public street or place, or upon any lot or land adjacent thereto shall be pruned and trimmed by the owner or owners or occupants of the property on or in front of which such trees are growing so that the lowest branches projecting over the public street or alley will provide a clearance of not less than 14 feet and a clearance of not less than ten feet over any other public place and so that no dead, broken or otherwise hazardous branched shall be likely to fall and do injury to the public. Any tree not trimmed as herein provided shall be deemed hazardous.
- B. Hazardous and Infected Trees Any tree or part thereof, whether alive or dead, which the Village Office shall find to be infected, hazardous or a nuisance so as to endanger the public or other trees, plants or shrubs growing within the Village or to be injurious to sewers, sidewalks or other public improvements whether growing upon public or private premises, shall be removed, trimmed or treated by the owner of the property upon or adjacent to which such tree or part thereof is located. The Zoning Administrator shall give written notice to said owner to remedy the situation, which shall be served personally or posted upon the affected tree. Such notice shall specifically state the period of time within which the action must be taken, which shall be within not less than 24 hours nor more than 14 days as determined by the Zoning Administrator on the basis of the seriousness of the condition of the tree or danger to the public. If the owner shall fail to remove, treat or trim said tree within the time limited, the Zoning Administrator shall cause the tree to be removed, treated or trimmed and shall report the full cost thereof to the Village Clerk who shall thereupon enter such cost as a special charge against the property.
- C. Cottonwood and Box Elder Trees Prohibited No person shall plant or maintain within the Village of Lake Nebagamon any female tree of the species “Populus deltoids”, commonly called the “Cottonwood”, or any tree commonly called the seed-bearing Box Elder or Acer Negundo, which may now or hereafter become infested with Box Elder bugs, and such trees are hereby declared a nuisance. Any person having any such trees on his premise shall cause the same to be removed. If any owner shall fail to remove any such tree within 30 days after receiving written notice from the Village Office, the Public Works Department shall cause the removal of such tree and report the full cost thereof to

the Village Clerk who shall place such charge upon the next tax roll as special charge against the premises.

- D. Planting of Certain Trees Restricted No person shall hereafter plant any Catalpa, Chinese Elm, White Poplar, Lombardy Poplar, or any fruit or nut tree in or upon any public street, parkway, boulevard or other public place within the Village of Lake Nebagamon unless he shall first secure written permission from the Village Office, who shall not approve any such planting if in his opinion said tree will constitute a nuisance to the public or adjoining property owners or interfere with the safety of the public or the operation of any sewer or water system.
- E. Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

BUILDING REGULATIONS

- §7.01 Uniform Dwelling Code
- §7.02 Flammable Liquids
- §7.03 Fire District Regulations
- §7.04 Penalties
- §7.05 Energy Conservation Code

§7.01 UNIFORM DWELLING CODE

- A. Authority These regulations are adopted under the authority granted by Wis. Stat. § 101.65.
- B. Purpose The purpose of this ordinance is to promote the general health, safety, and welfare and to maintain required local uniformity with the administrative and technical requirements of the Wisconsin Uniform Dwelling Code.
- C. Scope The scope of this ordinance includes the construction and inspection of one and two family dwellings and habitable additions or accessory buildings or attached garages. It does not include boat houses, gazebos or detached garages, they are covered in another section.
- D. Wisconsin Uniform Dwelling Code Adopted The Wisconsin Uniform Dwelling code, chs. comm 20-25 of the Wisconsin Administrative Code, and all amendments thereto, is adopted and incorporated by reference and shall apply to all buildings within the scope of this ordinance.
- E. Building Inspector There is hereby created the position of Building Inspector, (contracted) who shall administer and enforce this ordinance and shall be certified by the Division of Safety and Buildings, as specified by Wis. Stat. § 101.66(2), in the category of Uniform Dwelling Code Construction Inspector. Additionally, this or other assistant inspectors shall possess the certification categories of UDC, HVAC, UDC Electrical, and UDC Plumbing.
- F. Building Permit Fee The building permit fees shall be submitted by contracted inspector and approved by the Village Board.
- G. Penalties The enforcement of this section and all other laws and ordinances relating to building shall be by means of the withholding of building permits, imposition of forfeitures and injunctive action. Forfeitures shall be not less than \$25 nor more than \$1000 for each day of noncompliance.

§7.02 FLAMMABLE LIQUIDS

The WI Adm. Code, Chapter Ind. 8 (Flammable Liquids code), issued by the Industrial Commission of Wisconsin, is hereby adopted by reference as a part of this ordinance, and it shall be the duty of the Building Inspector to enforce the provisions thereof.

§7.03 FIRE DISTRICT REGULATIONS

All that part of the Village of Lake Nebagamon included within the following described territory shall be known as the fire district:

- A. Fire District The fire district limits in the Village of Lake Nebagamon shall be that area within the district limits as shown on an official map, entitled and marked “Official Map of the Fire District Limits of the Village of Lake Nebagamon”. Said map, the original copy of which is filed in the office of the Clerk, is hereby adopted as the official map of the fire district of the Village of Lake Nebagamon. The Fire District codes and regulations are in the Zoning Codes of Lake Nebagamon.
- B. Definitions The terms “fire-resistive construction”, “mill construction”, “ordinary construction”, “frame construction” and “fire-retardant roof coverings” shall have the meaning as defined in the WI Adm. Code, ss. Ind 51.001, 51.01, 51.02, 51.03 and 51.07 of the Wisconsin State Building code.
- C. Bulk Oil Tanks Prohibited The storage of Class I and Class II flammable liquids, as defined in s. Ind 8.001, WI Adm Code, in above ground tanks outside of buildings is prohibited within the fire district.
- D. Razing Old or Damaged Buildings Any existing building of frame construction within the fire limits which may hereafter be damaged by fire, or which has deteriorated to an amount greater than ½ of its value, exclusive of the foundation, as determined by the Village Assessor, shall not be repaired or rebuilt, but shall be ordered removed by the Building Inspector under the provisions of Wis. Stat. § 66.05.
- E. Fire-Retardant Roofing
 1. Every roof hereafter constructed within the fire district, including buildings listed in sub. (3)(b), shall be covered with a roofing having a fire-resistive rating equivalent to “Class B” or better of the Underwriters Laboratories, Inc. classification in their “list of Inspect Materials”, which is hereby adopted by reference and incorporated in this section as if fully set forth herein.
 2. No roofing on an existing roof shall be renewed or repaired to a greater extent than 1/10 of the roof surface, except in conformity with the requirements of par. (a) of this section.
- F. The Building Inspector (or Fire Chief or other designated person) is hereby authorized and it shall be his/her duty to enforce the provisions of this ordinance.
- G. Memorandum of Understanding between the Village of Lake Nebagamon and the Wisconsin Conservation Department For the establishing of responsibility, procedure,

and mutual assistance in the suppression of fires within their respective legal jurisdiction and responsibility.

Under Wis. Stat. § 26.11 part one, the Conservation Commission of Wisconsin is vested with power, authority, and jurisdiction in all matters relating to the detection and suppression of forest fires outside the limits of incorporated villages. Under Wis. Stat. § 26.12 part one, the Conservation Commission of Wisconsin may by rule establish an intensive Forest Protection District in areas where they feel there is a need of protection from forest fires. Wisconsin Administrative Code 30.01, part one, established Forest Protection District #1 as an intensive district including all lands in Bayfield and Douglas Counties outside of the limits of incorporated cities and villages.

The incorporated Village of Lake Nebagamon, Douglas County Wisconsin, located within Forest Protection District #1, but not part of it, is approximately 26 miles square in size, has many areas of dense field, marsh, and forest cover, and could by its location and nature complicate the problem of fire detection by District #1 Unless the same system of fire detection is carried on in the Village as with District #1.

The Village of Lake Nebagamon has established for protection from fire a unique fire department both in personnel and equipment and has passed a mutual aid agreement with the Department of Natural Resources, which is as follows:

Setting of Fires Regulated The Village Board of the Village of Lake Nebagamon do ordain as follows: No person shall set any fire except for warming the person or cooking food within the limits of the Village of Lake Nebagamon at any time of the year except when the ground is snow covered unless written permission has been received beforehand from a duly appointed fire warden.

Penalty The penalty for violation of any provision of this section shall be a penalty as provided in § 15.04 of this code.

- H. Fire Warden The Wisconsin Conservation Department shall appoint an emergency fire warden or designate an individual as a permit-issuing agent within the limits of the Village of Lake Nebagamon. It will also provide this person with the necessary forms so that he or she may issue burning permits under the Village ordinance governing the setting of fires with the Village limits of Lake Nebagamon and under state law to people wishing to burn material in the surrounding area of the Village of Lake Nebagamon. The restrictions governing the issuing of these permits shall be given by the district ranger of District #1.

Burning permits will be issued by the Village Office in accordance with Department of Natural Resources Guidelines.

Whenever smoke is located within the limits of the Village of Lake Nebagamon which appears to be from a wild running fire or is not accounted for, the district dispatch office will so inform the fire chief of Lake Nebagamon or his assistant and also cause an investigation to be made of the smoke as he would if such condition existed within the district. The person or persons directed by the State to investigate the smoke will take the same normal action as we would on a smoke within the district, but when in contact with the fire chief or his/her assistants they will work or be released under the fire chief's direction. In case the smoke was a result of illegal burning, he/she will turn all information concerning the matter over to the fire chief.

The Lake Nebagamon Fire Department may request assistance on all fires within the Village limits and the Wisconsin Conservation Department will render all assistance possible in the Village within the limits of its resources and facilities without charge to the Village. All requests for assistance should be directed to the district forest ranger or his/her assistants at Brule, Wisconsin.

The conservation department will generally be concerned with the suppression of forest fire, and marsh fires, or any wild fire clearly defined under Wis. Stat. § 26.11.

Within District #1 but within an area reasonably closed to the Village of Lake Nebagamon, a forest ranger or an emergency fire warden may request assistance from fire department to suppress forest fires, which are threatening buildings, or when sufficient other manpower is not available.

The fire department agrees to contribute its fire suppression services to the Wisconsin Conservation Department without requesting pay.

The fire department agrees to make every effort possible to immediately notify the Conservation Department when they have knowledge that a forest fire, or a fire which may become a forest fire, is burning within the limits of District #1.

This notice to be made at the earliest practical moment in the best available manner to the area Ranger or Forest Ranger at Brule, Wisconsin.

§7.04 PENALTIES

In addition to the revocation provisions herein, the penalty for violating any provision of this chapter shall be as provided in § 15.04 of this code. A separate offense shall be deemed committed on each day on which a violation of any provision of this chapter occurs or continues.

§7.05 ENERGY CONSERVATION CODE

- A. Chapter Ind. 22, Wisconsin Administrative Code, Energy Conservation Standards Chapter of the One and Two Family Dwelling Code, as adopted and effective December 1, 1978, and all amendments thereto, is adopted and incorporated in this code by reference.
- B. The Building Inspector, as certified by the Department of Industry, Labor and Human Relations and his/her designated representatives are hereby authorized and director to administer and enforce all of the provisions of Chapter Ind. 22.

§10.01 BOARD OF HEALTH

- A. How Constituted See § 2.07 of this code.
- B. Duties It shall be the duty of the Public Safety, Health and Environment Committee of the Village of Lake Nebagamon to assume the general administration of health and sanitation laws and regulations in the Village, to supervise the work of the Health Officer and to attend to the administration and enforcement of the health laws of the State and the rules and regulations prescribed by the State Board of Health and the ordinances of the Village.
- C. Powers The Board shall take such measures and make such rules and regulations as shall be necessary and effectual for the preservation and promotion of the public health in the Village of Lake Nebagamon. All orders and regulations of the Board shall be published in the official newspaper, and after publication shall have the force and effect of ordinances, including penalty for violation.

§10.02 HEALTH OFFICER: DUTIES AND POWERS

- A. How Selected See § 2.02 of this code.
- B. General Duties The Village Health Officer under the supervision of the district State Health Officer shall:

1. Make an annual sanitary survey and maintain continuous sanitary supervision over his/her territory.
 2. Make a periodic sanitary inspection at least every four months of all restaurants, dairies, grocery stores, meat markets, and places of public assemblage and report thereon of those responsible for the maintenance thereof.
 3. Promote the spread of information as to the causes, nature and prevention of prevalent diseases and the preservation and improvement of health.
 4. Enforce the health laws, rules, and regulations of the State Board of Health, the State and the Village, including the laws relating to contagious diseases contained in Wis. Stat. § 143.
 5. Take steps necessary to secure prompt and full reports by physicians of communicable diseases.
 6. Keep and deliver to his/her successor a record of all his official acts.
 7. Make an annual report to the State Board of Health and to the Village Board and such other reports as they may request.
- C. Materials and Supplies The Health Officer shall have the authority to procure at the expense of the Village all record books, quarantine cards and other materials needed by the Board of Health, except such as are furnished by the State Board of Health.

§10.03 GRADE “A” MILK REQUIRED

On and after the 30th day of June, 1972, no person shall sell, offer or expose for sale any milk or milk product other than Grade “A” milk and milk products as those terms are defined in Wis. Adm. Code, Ch. Agriculture 80, issued by the State Department of Agriculture and State Board of Health, which are hereby incorporated in this section by reference as if fully set forth herein. The Clerk is directed to file a certified copy of such regulations in their office for public inspection.

§10.04 COMPULSORY CONNECTION TO SEWER AND WATER

- A. When Required Whenever a sewer or water main becomes available to any building used for human habitation, the Health Officer shall notify the owner or his agent in writing in the manner prescribed by Wis. Stat. § 262.08 or by registered mail addressed to the last known address of the owner or his agent.
- B. Contents of Notice The notice required by this section shall direct the owner or his agent to connect the building to such main or mains in the manner prescribed by the Health Officer and to install such facilities and fixtures as may be reasonably necessary to permit passage of sewage incidental to such human habitation into the sewage system and to furnish an adequate supply of pure water for drinking and prevent creation of a health nuisance.

- C. Health Officer May Cause Connection at Expense of Owner If the owner or agent fails to comply with the notice of the Health Officer within ten days of service or mailing thereof, the Health Officer may cause connection to be made and the expense thereof shall be assessed as a special tax against the property.
- D. Installment Option The owner or agent may, within 30 days after completion of the work, file a written option with the Village Clerk stating that he cannot pay the cost of connection in one sum and electing that such sum be levied in five equal annual installments, with interest at the rate of 6% per annum from the completion of the work.
- E. Privies, Cesspools, Etc., Prohibited After Connection with Sewer After connection of any building used for human habitation to a sewer main, no privy, cesspool or waterless toilet shall be used in connection with such human habitation.

§10.05 KEEPING OF ANIMALS AND FOWL

- A. Sanitary Requirements All structures, pens, buildings, stables, coops or yards wherein animals or fowl are kept shall be maintained in a clean and sanitary condition, free of rodents, vermin and objectionable odors. Interior walls, ceilings, floors partitions and appurtenances of such structures, except structures or houses occupied by no more than one dog, cat, rabbit, skunk or similar animal kept as a pet, shall be whitewashed or painted annually or as often as the Health Officer shall direct.
- B. Animals Excluded from Food Handling Establishments No person shall take or permit to remain any dog, cat, or other live animal on or upon any premises where food is sold, offered for sale, or processed for consumption by the general public.

10.06 DISPLAYED FOOD AND DAIRY PRODUCTS

The provisions of Wis. Stat. § 97.66 relating to covering and display of food and dairy products are hereby adopted by reference and incorporated in this code as if fully set forth herein.

§10.07 SALE OF UNWHOLESOME OR TAINTED FOOD PROHIBITED

No person shall sell, offer for sale or hold for sale any meat, fish, fruits, vegetables or other articles of food or drink which is not fresh or properly preserved, and safe for human consumption or the flesh of any animal which died by disease. The Health Officer is hereby authorized and directed to seize and destroy any articles of food or drink, which are offered or held for sale to the public, which have become tainted, decayed, spoiled or otherwise unwholesome or unfit for human consumption.

§10.08 RESTAURANT REGULATIONS

- A. Definition The term “restaurant” as used in this section shall mean any place, kitchen, or conveyance where meals or lunches are prepared for sale, sold or served to transients or the general public.
- B. General Sanitation All restaurant premises shall be kept clean and free of litter or rubbish. All garbage and rubbish shall be kept in suitable, airtight containers so as not to become a nuisance and shall be disposed of daily in a sanitary manner. No living or sleeping room, urinal, water closet, ash pit or coal bin shall connect directly with any room used for preparation, storing or serving of food. Between May 1st and October 1st, all doors, windows, and apertures shall be effectively screened and doors shall be self-closing to prevent the entrance of flies. All equipment shall be kept clean and free from dust, dirt, insects, and other contaminating material.
- C. Cleanliness and Health of Employees
1. Clothing & Conduct All restaurant employees or workers shall wear clean clothing, hair nets or caps and shall keep their hands clean at all times while engaged in handling food, drink, utensils or equipment. Employees or workers shall not expectorate or use tobacco in any form in any area in which food is prepared.
 2. Disease No person infected with any disease in a communicable form or who is a carrier of a contagious disease shall work in any restaurant and no restaurant owner or operator shall employ any such person to work in any restaurant.
 3. Duty of Health Officer If the Health Officer shall suspect that an employee or worker in any restaurant is afflicted with any disease in communicable form, they shall notify such employee to cease working in any restaurant in the Village until they present a certified statement of a reputable physician or other satisfactory evidence that they are free from communicable disease.
- D. Water Supply and Plumbing In every restaurant adequate safe water under pressure shall be convenient and available in any room where food is prepared or utensils washed. Private water supplies shall be tested for purity not less than once every six months in the manner directed by the Health Officer. Plumbing shall be so designed, installed and maintained to prevent contamination of the water supply, food, drink, or equipment.
- E. Cleansing of Utensils and Equipment In order to insure proper cleansing and disinfection of glasses, cups, dishes and other eating utensils in restaurants, they shall be thoroughly washed and sanitized after each use by one of the methods described in ss. H 96.31 and H 96.32 of the Wisconsin Administrative code, which are incorporated in this section by reference as if fully set forth herein. Glasses or utensils may be chilled in cold running water or dry cold chests but shall not be chilled in a stationary container of cold or ice water.

- F. Responsibility for Compliance It shall be the duty of the restaurant owner or operator to comply with the provisions of the section. Restaurant employees and workers shall also be personally responsible for compliance with sub. (3) of this section.

§10.09 GROCERY STORE AND MEAT SANITATION

No person shall operate a grocery store or meat market within the Village of Lake Nebagamon in an unsanitary, filthy, or unclean manner so as to endanger the health of patrons or other property or persons. In all grocery stores and meat markets, refrigerators or refrigerator counters shall be kept in sanitary condition and shall maintain a temperature of 40 degrees Fahrenheit or below.

Spoiled food or unwholesome food shall be removed from the refrigerator immediately upon detection. The walls and ceilings of the store and stockrooms shall be kept clean and painted. Basements shall be clean and orderly and all refuse or garbage kept inside the premises must be placed in metal containers properly covered and disinfected when necessary. Meat grinders, hooks and all other utensils must be cleaned at the end of each workday. All unwrapped bakery or confectionery products shall be handled in such a manner that they do not come in direct contact with the hands of the individual selling them. The operator of the store or market shall be responsible for compliance with this section.

§10.10 MEAT INSPECTION

No person shall sell, have, keep or expose for sale for human consumption the flesh or meat food products of any cow, calf, sheep, swine, horse or goat in the Village of Lake Nebagamon unless the same shall have been slaughtered, inspected or prepared under the supervision of a United States Government inspector or in accordance with the regulations governing the inspection of meat as prescribed by the United States Department of Agriculture Bureau of Animal Industry. Title 9, Ch 1(a) D.F.R. The Health Officer may authorize the sale of meat or meat food products, which have been slaughtered, inspected, or prepared under the supervision of any municipal inspector or health officer in accordance with prescribed standards, which he determines to be substantially similar to the above regulations of the United States Department of Agriculture.

§10.11 CONTROL OF WEEDS AND GRASSES

- A. Mowing Required No person owning property within the Village of Lake Nebagamon shall permit to grow or pollinate upon his premises any weeds or grasses which cause or produce hay fever in human beings. Exhale unpleasant or noxious odors or conceal filthy deposits. In order to prevent such growth and pollination, it shall be the duty of every property owner to mow or cause to be mowed upon his premises all grasses or seeds exceeding one foot in height.
- B. Mowing by the Village It shall be the duty of the Weed Commissioner to enforce this section and if any person shall fail to comply herewith the Commissioner shall, after

five days written notice to the owner, cause the premises to be mowed and report the cost thereof in writing to the Village Clerk in the manner provided in Wis. Stat. § 94.22. Such charge shall be spread on the tax roll as a special tax to be collected in the same manner as other taxes unless such lands are exempt from taxation.

§10.12 RIGHT OF HEALTH OFFICER TO ENTER PREMISES

The Health Officer shall have the right to enter and examine any public premises or any place where meat, fish, poultry, game, milk, bakery goods or other food items are stored, prepared or dispensed for public consumption and to inspect or examine any vehicle transporting such foodstuffs for the purpose of enforcing the provisions of this chapter. Any person who shall hinder, obstruct, or prevent the Health Officer from entering or carrying out their examination of such premises or vehicle shall upon conviction be subject to § 15.04 of this code.

§10.13 ABATEMENT OF HEALTH NUISANCES

The Health Officer together with the Board of Health shall have the power to abate health nuisances in accordance with Wis. Stat. § 146.14 which is hereby adopted by reference and made a part of this section as if fully set forth herein.

§10.14 PENALTIES

The penalty for violation of any provision of this chapter shall be a penalty as provided in § 15.04 of this code. A separate offense shall be deemed committed on each day on which a violation occurs or continues provided no forfeiture shall be imposed for a violation of § 10.03 when connection to the sewer or water main is enforced at the expense of the property owner.

CHAPTER 12

ORDERLY CONDUCT

§12.01 Offenses Endangering Public Safety

§12.02 Offenses Endangering Public Peace and Good Order

§12.03 Offenses Endangering Public Morals and Decency

§12.04 Offenses Against Public and Private Property

§12.05 Disposal of Garbage and Trash

§12.06 Penalties

§12.01 OFFENSES ENDANGERING PUBLIC SAFETY (AMENDED 2009)

- A. It is illegal to shoot a firearm or bow within 100 yards of a building devoted to human occupancy while on lands you do not own without the permission of the owner or occupant of that building.
- B. Discharging of firearms and bows near roadways.
 1. No person shall discharge a firearm, shoot an arrow from a bow, or a bolt from a crossbow within 50 feet from the roadway's center.
 2. No person shall discharge a firearm, shoot an arrow from a bow, or a bolt from a crossbow from or across a highway.
 3. No person shall maliciously throw or shoot any object, arrow, stone, snowball or other missile or projectile, by hand or by any other means at any other person or at, in, or into any building, street, sidewalk, alley, highway, park, playground or other public place within the Village of Lake Nebagamon.
 4. The above prohibitions apply to all public roads (defined below). However, anyone hunting small game or turkey with a muzzleloader or shotgun loaded with shot size BB or smaller is exempt from these prohibitions if the roadway is unpaved (dirt, sand or gravel). However, if the adjacent land is not open to public hunting you must first have permission of the adjacent landowner.
 5. Definitions as follows:
 - **Highway** means the entire width between the boundary lines of every public road, but does not include private roads and driveways.
 - **Roadway** means the portion of the highway that is improved or ordinarily used for vehicle travel, excluding the berm or shoulder.
 - **Public Road** means those roads shown on the current, official county highway map available from the Department of Transportation.

C. Burning of Grass and Trash Restricted

1. Grass Fires Regulated No person shall kindle any grass fire within the Village of Lake Nebagamon without first securing a written permit from the Village Clerk who shall issue such permit only upon approval of and subject to any conditions for the protection of life and property imposed by the Fire Chief.
2. Trash Burning Restricted No person shall kindle or cause to be kindled any fire in or upon any street, alley, public way park or any public or private ground within the Village within 25 feet of any building or within any fire lane unless the same be confined within a wire refuse burner, basket or metal enclosure (with a cover attached to prevent the escape of sparks and burning materials) or a type approved by the Fire Department Chief.

D. Sale and Discharge of Fireworks Restricted

1. Private use and sale No person shall sell, expose or offer for sale, use, keep, discharge or explode any fireworks except toy pistol paper caps, sparkler, and toy snakes within the limits of the Village unless he/she shall be authorized by a fireworks permit as hereinafter provided. The term “fireworks” as used in this section shall be defined as provided in Wis. Stat. §67.10(1), and shall be deemed to include all rockets or similar missiles containing explosive fuel.
2. Fireworks Permits Fireworks, other than those prohibited by the laws of the State of Wisconsin, may be used and displayed in open fields, parks, rivers, lakes and ponds by public authorities, fair associations, amusement parks, park boards, civic organizations and other groups of individuals when a permit for such display has been granted by the Village President. All applications shall be referred to the Fire Chief for investigation and no permit shall be granted unless the Village President from the report of the Chief determines that the applicant will be exercised with regard to the protection of the lives and property of all persons and the display will be handled by a competent operator and conducted in a suitable, safe place and manner. Before granting any fireworks permit, the Village President shall require the applicant to post with the Village Clerk and approved indemnity bond in the sum of \$2000 for the payment of all claims that may arise by reason of injuries to persons or property from the handling, use or discharge of fireworks under such permit.

- E. Obstructing Streets and Sidewalks Prohibited No person shall stand, sit, loaf or loiter or engage in any sort or exercise on any public street, sidewalk, bridge or public ground within the Village in such manner as to prevent or obstruct the free passage of pedestrian or vehicular traffic thereon or to prevent or hinder free ingress or egress to or from any place of business or amusement, church, public hall or meeting place.

- f. **Residential area** means any real property which contains a structure or building in which one or more persons reside, provided that the structure or building is properly zoned, or is legally nonconforming, for residential use in accordance with the terms and maps of the Village zoning regulations in the Village Office.

2. General Prohibition

- a. No person shall make, continue, or cause to be made or continued:
 1. Any unreasonably loud or raucous noise; or

2. Any noise which unreasonably disturbs, injures, or endangers the comfort, repose, health, peace, or safety of reasonable persons of ordinary sensitivity within the jurisdictional limits of the city; or
 3. Any noise which is so harsh, prolonged or unnatural, or unusual in time and place as to occasion unreasonable discomfort to any persons within the neighborhood from which said noises emanate, or as to unreasonably interfere with the peace and comfort of neighbors or their guests, or operators or customers in places of business, or as to detrimentally or adversely affect such residences or places of business.
- b. Factors for determining whether a sound is unreasonably loud and raucous include, but are not limited to, the following:
1. The proximity of the sound to sleeping facilities, whether residential or commercial;
 2. The land use, nature, and zoning of the area from which the sound emanates and the area where it is received or perceived;
 3. The time of day or night the sound occurs;
 4. The duration of the sound; and
 5. Whether the sound is recurrent, intermittent, or constant.
- c. Owner/Tenant responsibility
1. The owner and/or legal tenant of a property that is the subject of noise complaint under this division shall be liable for the violation in the event that the police have been unable to identify the person responsible for the noise;
 2. The owner and/or legal tenant of a property that is the subject of a noise complaint under this division shall be liable for the violation in the event that a property has been the subject of two noise complaint investigations within the previous 12 months and the Police have notified in writing the owner;
 3. It shall be an affirmative defense for the owner and/or legal tenant charged under A, B & C of this section if the owner and/or legal tenant provide police with the name, address and current telephone number of the person responsible for creating offending noise, or in the case of a property owner, the name, address and current telephone number of the tenant who has control over the property.

3. Noises Prohibited

The following acts are declared to be per se violations of this division. This enumeration does not constitute an exclusive list:

- a. **Unreasonable noises.** The unreasonable making of, or knowingly and unreasonably permitting to be made, and unreasonably loud, boisterous or unusual noise, disturbance, commotion or vibration in any boarding facility, dwelling, place of business or other structure, or upon any public

street, park, or other place or building. The ordinary and usual sounds, noises, commotion or vibration incidental to the operation of these places when conducted in accordance with the usual standards of practice and in a manner which will not unreasonably disturb the peace and comfort of adjacent residences or which will not detrimentally affect the operators of adjacent places of business are exempted from this provision.

- b. **Vehicle horns, signaling devices, and similar devices.** The sounding of any horn, signaling device, or other similar device on any automobile, motorcycle, or other vehicle on any right-of-way or in any public space of the Village, for more than ten consecutive seconds. The sounding of any horn, signaling device, or other similar device, as a danger warning is exempt from this prohibition.
- c. **Non Emergency signaling devices.** Sounding or permitting sounding of any amplified signal from any bell, chime, siren, whistle or similar device, intended primarily for nonemergency purposes, from any place for more than ten consecutive seconds in an hourly period. The reasonable sounding of such devices by houses or religious worship, seasonal contribution solicitors or by the Village for traffic control purposes are exempt from the operation of this provision.

F. Assisting Escape of Prisoners No person shall intentionally aid in any prisoner or person to escape from the lawful custody of a policemen or peace officer of the Village.

G. Impersonating Police Officers No person shall impersonate a policeman or peace officer within the Village of Lake Nebagamon.

§12.03 OFFENSES ENDANGERING PUBLIC MORALS AND DECENCY

A. Gambling, Lotteries, Fraudulent Devices and Practices Prohibited All forms of gambling, lotteries and fraudulent devices and practices are prohibited within the limits of the Village. Any peace officer or policeman of the Village is hereby authorized to seize anything devised solely for gambling or found in actual use of gambling within the Village and to dispose thereof after a judicial determination that said device was used solely for gambling or found in actual use for gambling.

B. Loitering A person commits a violation if he or she loiters or prowls in a place, at a time, or in a manner not usual for law abiding individuals under circumstances which may be considered in determining whether such alarm is warranted is the fact that the actor takes flight on appearance of a peace officer, refuses to identify him or herself, or manifestly endeavors to conceal him or herself or any object. Unless flight by the actor or other circumstances make it impractical, a peace officer shall prior to any arrest for an offense under this section afford the actor an opportunity to dispel any alarm which would otherwise be warranted, by requesting the actor to identify him or herself and explain the presence and/or conduct. No person shall be convicted of an offense under this section if the Police Officer did not comply with the preceding sentence, or if it appears at trial that the explanation given by the actor was true and if believed by the peace officer at the time would have dispelled the alarm.

Prohibited Daytime Loitering by Minors It is unlawful for any minor under the age of 18 years who is subject to compulsory education to loiter, congregate, wander, stroll, stand, play or be in or upon the public streets, highways, roads, alleys, parks, playground, or other public grounds, public places, public buildings, places of amusement, eating places, vacant lots, or any unsupervised place during hours of required school attendance. Unless flight by the actor or other circumstances make it impractical, a peace officer shall, prior to any arrest for an offense under this section, afford the actor an opportunity to dispel any alarm which would otherwise be warranted by requesting the actor to identify him or herself and explain their absence from school or other conduct. Additionally, this section does not apply:

1. When the minor is accompanied by his or her parent, guardian or other adult person having the care of custody or the minor; or
2. When the minor is on an emergency errand directed by his or her parent or guardian or other adult person having care or custody of the minor; or
3. When the minor is going or coming directly from or to his/her place of gainful employment, or to or from a medical appointment; or
4. To students who have permission to leave school campus for lunch or for school related activities and have in their possession a valid, school issued, off campus permit.

C. Indecent Conduct and Language Prohibited No person shall use any indecent, vile, profane or obscene language or conduct himself in any indecent, lewd, lascivious or obscene manner within the Village.

D. Curfews Imposed on Minors

Hours Persons Exempt It shall be unlawful for any minor under the age of 18 years to loiter, idle, wander, stroll or play in or upon the public grounds, public places and public buildings, places of amusement and entertainment, vacant lots or other unsupervised places between the hours of 11:00pm and 5:00am the following day. The hours for minors under the age of 16 shall be from 10:00pm to 5:00am the following day. During that time when daylight savings time is in effect, the hours provided in this section shall be extended by one hour.

Duties of Parents The provision of this article shall not apply to a minor accompanied by their parent, guardian, or other adult person having the care and custody of the minor, or where the minor is on an emergency errand or legitimate business directed by their parent, guardian, or other adult person having the care and custody of the minor. It shall be unlawful for the parent, guardian or other adult person having the care and custody of a child under the age of 18 years knowingly permit the child to loiter, idle, wander, stroll, or play in or upon the public streets, highways, roads, alleys, parks, grounds, public places and public buildings, places of amusement and entertainment, vacant lots or other unsupervised places between the hours of 11:00pm and 5:00am the following day; or if the child is under the age of 16 years, the hours shall be between 10:00pm and 5:00am the following day. During that time when daylight savings time is in effect, the hours provided in this section shall be extended by one hour.

§13.03 ABATEMENT OF PUBLIC NUISANCES

- A. Inspection of Premises Whenever a complaint is made to the Village President that a public nuisance exists within the Village of Lake Nebagamon, he/she shall promptly notify the Police Officer, Health Officer, or Building Inspector who shall forthwith inspect or cause to be inspected the premises complained of and shall make a written report of his findings to the Village President. Whenever practicable, the inspecting officer shall cause photographs to be made of the premises and shall file the same in the Office of the Village Clerk.
- B. Summary Abatement
1. Notice to Owner If the inspecting officer shall determine that a public nuisance exists within the Village and that there is great and immediate danger to the public health, safety, peace, morals or decency, the Village President may direct the Constable to serve notice on the person causing, permitting or maintaining such nuisances or upon the owner or occupant of the premises where such nuisance is caused, permitted or maintained and to post a copy of said notice on the premises. Such notice shall direct the person causing, permitting, or maintaining such nuisance or the owner or occupant of the premise to abate or remove such nuisance within 24 hours and shall state that unless such nuisance is so abated the Village will cause the same to be abated and will charge the cost thereof to the owner, occupant or person causing, permitting or maintaining the nuisance, as the case may be.
 2. Abatement by Village If the nuisance is not abated within the time provided or if the owner, occupant or person causing the nuisance cannot be found, the Health Officer, in case of health nuisances and the Police Officer, in other cases, shall cause the abatement or removal of such public nuisance.
- C. Abatement by Court Action If the inspecting officer shall determine that a public nuisance exists on private premises but that the nature of such nuisance is not such as to threaten great and immediate danger to the public health, safety, peace, morals or decency, he shall file a written report of his findings with the Village President who shall cause an action to abate such nuisance to be commenced in the name of the Village in the circuit court of Wisconsin County in accordance with the provisions of Wis. Stat. § 280.
- D. Other Methods Not Excluded Nothing in this ordinance shall be construed as prohibiting the abatement of public nuisances by the Village of Lake Nebagamon or its officials in accordance with the laws of the State of Wisconsin.

§13.04 COST OF ABATEMENT

The cost of abating a public nuisance by the Village (inclusive of all applicable attorney fees) shall be collected as a debt from the owner, occupant or person causing, permitting or maintaining the nuisance, and if notice to abate the nuisance has been given to the owner, such cost shall be assessed against the real estate as a special charge.

§13.05 PENALTY

SANITARY SEWER COMMISSION

- §16.01 Purpose
- §16.02 Meetings
- §16.03 Secretary
- §16.04 Review
- §16.05 Minutes
- §16.06 List hook ups
- §16.07 Space provided
- §16.08 Budget
- §16.09 Members
- §16.10 Attendance
- §16.11 Pay
- §16.12 Full Sewer Ordinance

§16.01 PURPOSE

The purpose and function of the Sanitary Sewer Commission shall be to establish hook-up rates, user rates and the rules and regulations covering the governance thereof. The Commission shall have governance over sewer users, licensed plumbers, others, and penalties. The Sanitary Sewer Commission shall oversee operating personnel, equipment and yearly operating budget. The Sanitary Sewer Commission shall establish requirements for repair of septic systems presently in use and for installation of new systems and establish permit fees. The Commission will be responsible for issue and enforcement of permits for the permanent sewer system and individual septic systems. Permit fee income will go to the Commission.

§16.02 MEETINGS

The Commission shall meet regularly each month on the last Tuesday of the month. Special meetings as required to complete the work of the Commission shall be held as necessary. These meetings shall be held in the downstairs of the Village Auditorium unless posted otherwise. All meeting shall be open to the public except employee negotiations.

§16.03 SECRETARY

The Commission shall contract with the Village Board for services of Clerk and Treasurer and pay the Village of Lake Nebagamon the established pay scale.

§16.04 REVIEW

All actions of the Commission are subject to review by the Village Board where actions may be overruled.

§16.05 MINUTES

The Commission shall submit to the Village Board minutes for all meeting held the prior month, along with financial information.

§16.06 LIST HOOKUPS

The Commission shall prepare and maintain a list of the various types of hook-ups. It shall use this list to estimate the physical number of users on the system each month using current accepted design standards.

§16.07 SPACE PROVIDED

Village Board will provide office space and equipment storage space for all sewer records.

§16.08 BUDGET

The Commission shall prepare and submit to the Village Board a yearly operating budget commencing on January 1 and ending on December 31. The budget shall be submitted to the Village Board at its regular October meeting of the year preceding the proposed budget. The Sewer Commission shall attempt to be self-supporting.

§16.09 MEMBERS

The Commission shall consist of three members appointed for three year terms except for initial terms. Initial appointments will be for one, two, and three years. The Village President shall appoint all members, including the chairman, subject to a two-thirds majority of the Village

Board. Appointments to fill a vacancy shall be for the remaining term of the commissioner involved. Commissioners shall be permanent twelve month residents residing within the corporate limits of the Village of Lake Nebagamon. Commissioners may serve no more than six consecutive years. After being off the Commission for two years, a person may be reappointed. Current elected Village officials are not eligible for appointment. All terms expire on April 30th.

§16.10 ATTENDANCE

Commissioners shall attend ten of the twelve scheduled meetings held monthly per calendar year and shall remain in attendance from call to order to adjournment. Failure to attend meetings per the above requirements shall be cause for immediate involuntary dismissal and replacement by the Village Board. Special consideration will be given to incapacity due to illness, but in no case shall this cover more than two additional meetings.

§16.11 WAGE

Pay shall be: Commission Chairman – \$100 per monthly meeting attended. Commissioners - \$100 per monthly meeting attended. No pay shall be made for special meetings unless the Village Board approves payment prior to the time a meeting is called. Mileage and expenses will be subject to Village Board approval. Monthly salaries will be reviewed each year by the Village Board at Budget time. All costs incurred by the Commission and its employees shall be charged against the income of the Commission.

CHAPTER 17

PROPERTY AND PREMISES MAINTAINED

§17.01 JUNK MOTOR VEHICLES

§17.02 PROPERTY MAINTENANCE

§17.03 PENALTIES

§17.01 JUNK MOTOR VEHICLES

- A. Definitions Unsafe operating condition means a motor vehicle which does not meet the requirements and standards Wis. Stat. Ch. 347 relating to equipment of vehicles.
- B. “Junk Motor Vehicle: Description” “Junk Motor Vehicle” is defined by meeting any one or more of, but not limited to, the following criteria:
1. Motor vehicle not having affixed thereto the current valid state registration plates for said motor vehicle.
 2. A motor vehicle disabled or not currently operable motor vehicle, whether or not having affixed thereto the current valid state registration plates for said motor vehicle.
- C. Time Limit for Parking or Storage The parking, storage, or accumulation of any junk motor vehicle of whatsoever kind or parts thereof outside of a building or premise in any zoning district of the Village of Lake Nebagamon for a period of time exceeding 30 days in any one calendar year is prohibited with the following exception.
- D. Additional Periods of Storage of Junk Motor Vehicles An extension beyond 30 days may be permitted provided a detailed written application is made to and approved by the Zoning Administrator. A fee of \$25 shall accompany said application. No more than two extensions will be granted. Said fee shall be refundable only if the request is denied. In no event shall the Zoning Administrator permit the outside storage of more than one junk motor vehicle or a major component thereof on a premise in any Zoning District.
- E. Responsibility The owner or lessee of any junk motor vehicle or parts thereof, and the owner, agent, or tenant of any premises within any Zoning District upon which such junk motor vehicle or parts thereof are parked, stored or maintained, shall be individually responsible for complying with the provisions of this ordinance.

§17.02 PROPERTY MAINTENANCE

- A. Anti-Dumping The purpose of this ordinance is to preserve health and sanitation in the Village through the regulation and disposal of garbage, rubbish, construction and demolition debris, and hazardous waste through the proper collection by the waste hauler

or as otherwise allowed by law. It is unlawful to allow construction or demolition debris, rubbish, and garbage to accumulate anywhere in the Village. There shall be no “grandfather” clause in the amendment, so all property which currently contains any such material is affected upon passage, along with any of those properties where it may occur in the future.

- B. Duty to Keep Premises Clean No one can place, throw, leave or dump any rubbish, paper, dirt, waste, debris, or garbage upon any street, gutter, sidewalk, alley, park, roadway or other public grounds. The owner, occupant, or tenant of any property shall keep it in safe and sanitary condition, free of rubbish and debris. Any trash, debris, or rubbish that is a result of a natural or other type disaster shall be removed by the owner of the property within six months. If needed, a request of an extension may be considered by the Village Board for extenuating circumstances.
- C. Waste Disposal Except for the composting of vegetable waste, lawn and yard waste, and the construction of brush piles for wildlife, it shall be unlawful for any person to permit any rubbish, paper, waste, or garbage upon any property within the Village. For residential property such disposal shall be limited to trash receptacles in accordance with the agreement with a waste hauler. Any receptacle containing any substance identified as hazardous, noxious, or improperly disposed of materials that in the opinion of the hauler, is harmful to collection crews or equipment, shall be left on site. It shall be unlawful for any person to discard their residential or commercial trash along with roadside or in any other residential, commercial or public trash container without permission. Such violators will be fined with the maximum for each occurrence. Any person, firm, or corporation who shall violate the provisions of this ordinance, shall, upon written notice from the Village Police Department shall conform to the ordinance within ten days of the date of said notice or shall pay a forfeiture as stated in §15.05 of this ordinance.

CHAPTER 18

OTTO FINELL MEMORIAL PARK

§18.01 ALCOHOLIC BEVERAGES

- §21.08 Public Reservation
- §21.09 Variances
- §21.10 Enforcement, Penalties and Remedies
- §21.11 Separability

§21.01 INTRODUCTION: AUTHORITY, PURPOSE AND INTERPRETATION

In accordance with the authority granted by Wis. Stat. § 236.45, and for the purposes listed in Wis. Stat. §235.01 and 236.45 (2103-2014), the Village Board ordains:

The provisions of this Ordinance shall be held to be minimum requirements adopted to promote the health, safety, morals, comfort, prosperity and general welfare of the Village.

This Ordinance shall not repeal, impair or modify private covenants or public ordinances, except that it shall apply whenever it imposes stricter controls on land use.

§21.02 GENERAL PROVISIONS

- A. A subdivision includes any division of a parcel of land by the owner or his agent for the purpose of sale or building development where:
 - 1. The act of division creates two or more parcels of less than five acres each.
 - 2. Two or more parcels of five acres or less are created by successive divisions within a five year period.
- B. No division of land within the Village or within its extraterritorial jurisdiction shall be permitted if it results in a subdivision, unless a plat of the subdivision is submitted and approved in accordance with this Ordinance and Wis. Stat. Ch. 236.
- C. In addition to the provisions of this ordinance and Wis. Stat. Ch. 236, all subdivisions shall conform to the zoning ordinance, the official map ordinance and the General

Development Plan, for the Village of Lake Nebagamon and its extraterritorial planning area.

- D. For all subdivision improvements required to be installed by the subdivider, the subdivider shall provide satisfactory proof that he/she has contracted to install such improvements or shall file a performance bond ensuring installation of such improvements within the time required by the Planning and Zoning Commission and Village Board.
- E. The specifications for all improvements shall be approved. Prior to either acceptance of the improvement by the Village Board or release of the sub-divider's bond, all improvements shall be inspected and found to have been installed according to the specifications.
- F. Any person aggrieved by an objection to a plat or failure to approve a plat may appeal their form, as provided in Wis. Stat. § 236.45, 235.01, 236.145 and 62.23 (7)(e) 10 to 15, within 30 days of notification of the rejection of the plat. Where failure to approve is based on an unsatisfied objection, the agency making the objection shall be made a party to the action. The court may direct that the plat be approved if it finds that the action the approving or objecting agency is arbitrary, unreasonable or discriminatory.

§21.03 DEFINITIONS

Alley - A special public way affording only secondary access to abutting properties.

Arterial Street – A street used, or intended to be used, primarily for fast or heavy through traffic. Arterial streets shall include freeways and expressways as well as standard arterial streets, highways and parkways.

Building Line – A line parallel to a lot line and at a distance from the lot line to comply with the Village Zoning Ordinance's yard requirement.

Collector Street – A street used, or intended to be used, to carry traffic from minor streets to the major system of arterial streets including the principal entrance streets to residential developments.

Community – A town, municipality, or a group of adjacent towns and/or municipalities having common social, economic or physical interests.

Comprehensive Plan – The extensively developed plan, also called a master plan, adopted by the Village Planning and Zoning Commission and certified to the Village Board pursuant to Wis. Stat. § 62.23, 236.45 and 235.01, including proposals for future land use, transportation, urban redevelopment and public facilities. All devices for the implementation of these plans, including but not limited to zoning, official map, land

division, and building line ordinances and capital improvement programs shall also be considered a part of the comprehensive plan.

County Planning Agency – An agency created by a county board and authorized by statute to plan land use such as a rural planning committee, a park commission, a zoning committee or a planning commission.

Cul-De-Sac Street – Minor street closed at one end with a turnaround provided for passenger vehicles.

Extraterritorial Plat Approval Jurisdiction – The unincorporated area within one and one-half (1 1/2) miles of a fourth class city or a village and within three (3) miles of all other cities.

Frontage Street - A minor street auxiliary to, and located on the side of an arterial street for control of access and for service to the abutting development.

Minor Street – A street used, or intended to be used, primarily for access to abutting properties.

Municipality – An incorporated village or city.

Public Way – Any public road, street, highway, walkway, drainage-way, or part thereof.

Re-plat – The changing of the boundaries of a recorded subdivision plat or part thereof.

Subdivider – Any person, firm or corporation, or any agency thereof, dividing or proposing to divide land resulting in a subdivision, or replat.

Subdivision – See § 21.02(a) of this Ordinance.

§21.04 PROCEDURE FOR SUBMITTING SUBDIVISIONS

- A. Preliminary Meeting Before filing a preliminary plat the subdivider shall consult with the Planning and Zoning Commission and/or its staff for advice regarding general requirements affect the proposed development. A sketch of the proposed subdivision drawn on a topographic survey map should be submitted. The subdivider shall also submit a location map showing the relationship of the proposed subdivision to traffic arteries and existing community facilities.
- B. Preliminary Plat. The subdivider must submit to the Planning Commission and to those agencies having the authority to object to plats under provisions in Chapter 236 of the Wis. Stat. § §, a preliminary plat based upon an accurate exterior boundary survey by

a registered land surveyor which shall show clearly the proposed subdivision at a scale of not more than one inch per 100 feet having two-foot contour intervals, shall identify the improvements (grading, tree planting, paving, installation of facilities, and dedications of land) and any prior easements which the subdivider proposes to make and shall indicate by accompanying letter when the improvements will be provided. Any proposed restrictive covenants for the land involved shall be submitted.

After review of the preliminary plat and negotiations with the sub-divider on changes being advisable and the kind and extent of public improvements which will be required, the Planning and Zoning Commission shall reject or approve conditionally the preliminary plat within 40 days as provided by statute.

Approval of the preliminary plat shall entitle the sub-divider to final approval of the layout shown by such plat, provided the final plat conforms substantially to such layout and other conditions of approval have been met.

- C. Final Plat Final plats shall be submitted to the Planning and Zoning Commission within six months of preliminary plat acceptance unless this requirement is waived in writing by the Planning and Zoning Commission. The final plat shall conform to the preliminary plat as approved and the requirements of all applicable ordinances and state laws and shall be submitted for certification of those agencies having the authority to object to the plat as provided by Wis. Stat. § 236. The final plat shall be accompanied by detailed construction plans of all improvements. The final plat shall be presented to the Planning and Zoning Commission at least ten work days prior to the meeting at which it is to be considered and shall be accepted or rejected by the Planning and Zoning Commission and the Village Board within 60 days of its submission, unless the time is extended by an agreement with the sub-divider. Reasons for rejection shall be stated in the minutes of the Village Board meeting and a copy thereof or a written statement of such reasons shall be given to the sub-divider. Approved final plats shall be recorded in accordance with the statutory requirements prior to the time that lots are offered for sale, reference is made to the map for sale purposes, or use is made of lot and block numbers shown on the plat.

If the original of the final plat has been filed with another approving authority, the subdivider may file a true copy of such plat in lieu of the original. However, before approval of the Planning and Zoning Commission and the Village Board will be inscribed on the original of the final plat, the surveyor or sub-divider shall certify the respects in which the original of the final plat differs from the true copy, and all modifications must first be approved. All approval must be in writing and a copy attached to the final plat.

§21.05 DESIGN STANDARDS

A. Streets and Lots

1. The subdivider shall dedicate land and improve streets as provided herein. Streets shall conform to the official map ordinance of streets. Streets shall be located with due regard for the topographical conditions, natural features, existing and proposed streets, utilities and land uses and public convenience and safety.
2. All lots shall have sufficient frontage on a public street to allow vehicular access.
3. Street locations shall be consistent with any street plans officially adopted by the Village. All street right-of-way width, radii of curvature and grades shall conform to the following requirements:

STREET TYPE	RIGHT-OF-WAY MINIMUM WIDTH	MINIMUM RADUIS OF CURVATURE	MAXIMUM GRADE
Arterial or Highway	120 feet	300 feet	6%
Collector (carries traffic from minor streets to arterials or highways)	80 feet	200 feet	7%
Minor (provides access to individual lots)	66 feet	100 feet	10%

4. Streets shall be laid out to provide for possible continuation wherever topographic and other physical conditions permit.
5. Minor streets shall be so laid out so as to discourage their use by through traffic.
6. The number of intersections of minor streets with major streets shall be reduced to the practical minimum consistent with circulation needs and safety requirements.
7. Where a subdivision abuts or contains an existing or proposed arterial highway. The Planning and Zoning Commission shall require a frontage road, non-access reservation along the rear of the property contiguous to such highway, or such other treatment as may be necessary to ensure safe, efficient traffic flow and adequate protection of residential properties.
8. Reserve strips controlling access to streets shall be prohibited.
9. A tangent at least 100 feet long shall be required between reverse curves on arterial and collector streets.
10. Streets shall afford maximum visibility and safety and shall intersect at right angles, where practicable.
11. Dedication of half-width streets shall be prohibited.
12. Permanent dead-end streets or cul-de-sacs shall not be longer than 600 feet, shall have a minimum width of 50 feet and terminate with a turnaround having a roadway diameter of at least 90 feet, and an outside street right-of-way diameter of at least 120 feet.

13. Where possible, lot lines shall be perpendicular to the street line, and to the tangent at the lot corner or curved streets.
14. Lots shall follow, rather than cross, municipal boundary lines whenever practicable.
15. No street names shall be used which will duplicate or may be confused with the names of existing streets. Street names shall be subject to the approval of the Planning and Zoning Commission.

B. Block Design

1. The lengths, widths and shapes of blocks shall be appropriate for the topography and the type of development contemplated.
2. To provide adequate access and circulation to community facilities, the Planning and Zoning Commission may require that sidewalks be provided, either along streets or through the center of blocks. Center crosswalks shall not be less than ten feet wide.
3. The Planning and Zoning Commission may require that certain species of trees be planted on both sides of all streets.
4. Subdivision lots in the Village shall be in conformance with the area and width requirements of the Village Zoning Ordinance. Area and width requirements of subdivision lots in the extraterritorial planning area shall conform to town zoning ordinances and Administrative Code J65 of the State of Wisconsin Division of Health.

§21.06 IMPROVEMENTS

- A. General Provisions: The following provisions shall apply to the subdivisions platted within the Village and may be applied to subdivisions platted within the extraterritorial plat approval jurisdiction of the Village.
1. The improvements required under these regulations shall be constructed by the subdivider and at the subdivider's expense prior to the filing with the Planning and Zoning Commission and the Village Board of the final plat for final approval, in accordance with the specification and under the supervision of the officials having jurisdiction; or
 2. In lieu of constructing the improvements as required in paragraph (1) above, the subdivider shall furnish the Village Board with a surety performance bond or other form of surety running to the Village of Lake Nebagamon sufficient to cover the subdivided cost of such required improvements. Final approval of the plat must be in accordance with the requirements of the Village Board.
 3. In the event the procedure under paragraph (2) is followed, the construction of all improvements required by these rules and regulations must be completed within two years from the date of approval of the final plat by the Village Board unless good cause can be shown for the granting of an extension of time by authority of the Village Board. If no extension is granted, the Village at its option, may cause

all uncompleted required work to be constructed, and the parties executing the bond shall be firmly bound for the payment of all necessary costs thereof.

4. The approval of the final plat by the Village Board shall constitute acceptance of the dedication of any public street, road, or highway dedicated in such plat.
5. Where unusual or exceptional factors or conditions exist, the Village Board may modify the provisions of this ordinance. A written statement of the reasons for such modification shall be attached to all copies of the construction plans.

B. Improvements

1. Improvements that shall be required at the expense of the subdivider:
 - a. Streets rough-graded from property line to property line, and terraces top-soiled to conform to specification established by the Village Board and on file in the Village Clerk's office.
 - b. A public sanitary sewer system adequate to provide the subdivision with a complete sanitary sewer system, including a lateral connection for each lot, and connected in a satisfactory manner to the village sanitary sewer system.
 - c. A complete water distribution system adequate to serve the area platted including connections for each lot. The entire system shall be designed to meet the approval of the Village Board. The Village shall pay for and install all necessary fire hydrants, providing that the developer appropriately advises the Village from time to time when the system is ready for the installation of said hydrants.
 - d. A storm water sewer or drainage system adequate to serve the area being platted and otherwise meeting the approval of the Village Board.
 - e. If a pumping station is required to pump either sanitary wastes or storm water into the existing public sewer mains, the subdivider shall install, at no expense to the Village, a pumping station.

CHAPTER 22

GARBAGE COLLECTION AND REMOVAL

§22.01 INTENT

§22.02 DEFINITIONS

§22.03 DUTY OF OWNER TO REMOVE AND DISPOSE OF

§22.01 INTENT

- A. The purpose of this ordinance is to help ensure that efficient, nuisance free and environmentally acceptable solid waste management procedures are practiced in Douglas County.
- B. It is the purpose of the Village of Lake Nebagamon Village Board, in the exercise of its police powers to regulate and provide for the removal of and disposal of garbage and refuse generated in the Village of Lake Nebagamon, in order that the health, safety and welfare of all persons in the Village of Lake Nebagamon may be protected.
- C. It is the intent of the Village of Lake Nebagamon Village Board, that all sections and provisions of this ordinance have an independent existence and should any section or provision be declared invalid or unconstitutional by a court of competent jurisdiction, it is the intent of the Village of Lake Nebagamon, Village Board, that any section or provision so declared shall be severable from and shall not affect the validity of the remainder of the ordinance.

§22.02 DEFINITIONS

- A. Licensed Collector – shall mean that person to whom the Village has issued a license to collect municipal solid waste (MSW) and whom the Village has designated as its agent and designee for purposes of transporting said solid waste to a State approved landfill site or transfer station.
- B. Person or Owner – means any human being, partnership, corporation, firm, company, association, society or group.
- C. Solid Waste - means any garbage, refuse, sludge from a waste treatment plant, water supply.
- D. Hazardous Waste – means any substance or combination of substances including any waste of a solid, semisolid, liquid or gaseous form which may cause or significantly contribute to an increase in mortality or an increase in serious irreversible or

incapacitating reversible illness or which may pose a substantial present or potential hazard to human health or the environment because of its quantity, concentration or physical, chemical or infectious characteristics.

- E. Infectious Waste – means solid waste which contains pathogens with sufficient virulence and quantity so that exposure to the waste by a susceptible host could result in an infectious disease.
- F. Municipal Solid Waste (MSW) – means solid waste generated mainly by residents and commercial activities.
- G. Garbage – means discarded materials resulting from the handling, processing, storage and consumption of food.
- H. Refuse – means all matters produced from industrial or community life, subject to decomposition, not defined as sewage.

§22.03 DUTY OF OWNER TO REMOVE AND DISPOSE OF MUNICIPAL SOLID WASTE

- A. It shall be the duty of every resident or property owner containing less than four dwelling units to provide for not less frequent than weekly disposal of MSW generated. Owners of residential structures containing more than four dwelling units or of commercial or industrial establishments shall employ a licensed collector for the removal of all MSW from their premises.
- B. **SOLID WASTE CONTAINER REQUIRED:** Specifications: It shall be the duty of the owner of every dwelling or place of business in the village to keep and maintain or cause to be kept and maintained in good condition, sufficient portable watertight containers to hold all the MSW which accumulates on such premises during the time between collections and removals. All MSW which accumulates shall be put into containers provided by the hauler not filled to nearer than 3 inches of the top. In the case of residential structures containing four or less dwelling units, the contents shall not exceed 96 gallons. Collection in excess of 96 gallons shall not be deemed an “ordinary collection” within the meaning of this chapter.

Such containers shall, during the hours scheduled for collection, be kept or placed in a convenient location readily accessible to the collector. After 24 hours, containers must be removed a reasonable distance from the “right of way”.

Except while loading or unloading, the tops and covers of all such containers shall be kept tightly covered and securely close at all times when they contain putrescible MSW.

When such containers contain only non-putrescible MSW, they shall be kept covered and as necessary prevent such solid waste from being blown out of such container.

C. COLLECTION SCHEDULES TO BE ESTABLISHED

It shall be the duty of the licensed collector to collect and remove any of the MSW referred to in this chapter and to establish and maintain a schedule for regular ordinary collection of such MSW providing for collection on at least a weekly basis and to make available a schedule setting forth the days or day of the week and the hours during which such collections will be made.

D. ESTABLISHMENT OF FEES FOR COLLECTIONS

The fee to be charged for making ordinary collections and removal shall be reasonable and within a rate schedule approved by the Village Board. Such fees shall be fixed based upon the frequency of collection and removal, the character and quantity of the materials collected and removed, and the length of haul and cost of making same. The licensed collector shall not charge anything in excess of the maximum rate for ordinary collections or fail or refuse to make any collection. A copy of the maximum rate schedule shall at all times be kept on file in the Office of the Clerk of the Village of Lake Nebagamon. The maximum rate schedule for ordinary collection and removal shall be reviewed and determined by the Village Board once each year. In addition such maximum rate schedule may be reviewed on application therefore by any persons.

Rates for special collections and for items that are not capable of ordinary collection shall be as agreed upon between the party requesting and the licensed collector.

E. REMOVAL OF OFFENSIVE MATTER FROM PREMISES – AUTHORITY OF VILLAGE

Whenever MSW, dead animals or parts thereof or other putrescible materials shall not be contained or removed as required by this chapter, the Village Police Officer or any member of the Village Board may direct the removal of such material by the licensed collector. In such event, the licensed collector shall, within the time specified by the Village Police Officer or any member of the Village Board, (which time shall not be less than within 24 hours of being so directed, Saturdays, Sundays and Holidays excluded), make such collection and removal. Whenever such Village Police Officer or member of the Village Board directs a licensed collector to remove material from any premises pursuant to this section he or she shall make a written record of such action and provide a copy to the licensed collector. If such collection and removal requires an expenditure

of time and effort comparable to that required for ordinary collections, the collector shall be paid at his regular rate for ordinary collections. If such collection and removal requires for expenditure of time and effort in excess of that required for ordinary collections, the collector shall be paid a reasonable hourly rate determined by the Village Board and, pursuant to such collection, shall be paid by the Village and pursuant to Sections 3 & 4 of this ordinance, recovered from the owner of the premises from which such collection and removal is made.

F. REMOVAL OF OFFENSIVE MATTER FROM PREMISES – NOTICE TO OWNER

Whenever the Village Police Officer or a member of the Village Board shall deem it necessary to remove, at the expense of the owner, any MSW, manure, dead animals or parts thereof as provided in the preceding section. The Village Police Officer or a member of the Board shall personally serve a written notice upon the owner or agent of the property affected or if the owner or his agent cannot be found, by posting said notice on the premises setting forth the fact that such removal has been ordered and granting the owner or agent a reasonable period of time for the completing for such removal. Such time allowance shall in no case be less than 24 hours and no more than 48 hours.

G. REMOVAL OF OFFENSIVE MATTER FROM PREMISES – DUTY OF OWNER

Every owner or agent served with a notice, as described in the preceding section, shall cause an abatement of the nuisance or health hazard described in such notice within the time limits prescribed by such notice.

H. DUTY OF LICENSED COLLECTOR TO OPERATE IN ACCORDANCE WITH LANDFILL REGULATION

It shall be the duty of the licensed collector to abide by the regulation and policies of the Village of Lake Nebagamon and Department of Natural Resources in the transportation of solid waste and depositing of solid waste at the State approved landfill site or transfer station.

I. WASTE CHARACTERIZATION

Only the waste type and sources listed in the plan of operation approval, waste previously approved by the Village of Lake Nebagamon and Department of Natural Resources in writing may be accepted for disposal. Hazardous waste and infectious waste will not be accepted.

CHAPTER 23

COMPREHENSIVE OUTDOOR RECREATION PLAN

(AMENDED 1988, 1996, & 2014)

§23.01 RECREATION NEEDS AND RECOMMENDATIONS

§23.02 GENERAL RECOMMENDATIONS

§23.03 SUMMARY AND CONCLUSIONS

§23.01 RECREATION NEEDS AND RECOMMENDATIONS

The village has approximately 23 acres of park and recreation areas, not including the land on which the hiking trail is located, owned by Douglas County. This total is almost eight acres more than the Village had in 1988 and include the more than seven acres added to Finell Park two years ago.

Using the standard discussed previously, 12 acres of developed parks and open space per 1,000 persons, the existing 23 acres should be sufficient for the needs of the residents of the Village. Any land added in future would be sufficient for the needs of the residents of the Village. Any land added in the future would be to enhance existing facilities or for specialized uses, such as the addition to Finell Park for another ball field and nature area.

As shown in Table 2, the existing recreation land devoted to Community Parks is in excess of the ideal set earlier in this report. When the nature of the Village is considered, however, this is not extraordinary. A rural, lake oriented community has less need for neighborhood parks because of the recreational aspect of most residential sites located on or near the lake. There is a great need for community wide parks where activities are centered on larger groups of participants and spectators. It is also in the best interest of the community as a whole to have recreation areas which draw visitors and their money to the Village.

Existing Facilities and Recommendations –

A. Finell Park

This park is the largest in the Village and is the site of the Village's only regulation sized ball field, used by adult, youth and school leagues. It also has a playground and two tennis courts. It is the main site of the athletic events for the entire village and much of the region. A lighted pavilion was constructed recently, the dugouts and bleachers were repaired and the parking lot was improved. A recent land acquisition more than doubled the size of this park and the additional land will be used, in part, for another ball field. The remainder will be left as a wildlife – nature walk area. The existing pit toilets must be replaced or repaired.

The recommendations which follow are not specifically prioritized, however, in most cases, the first recommendation listed is the most needed.

- 1) New pit toilets must be constructed immediately.
- 2) The new ball field needs to be developed with dugouts, bleachers and fencing.
- 3) The playground needs to be expanded.
- 4) An access road needs to be installed to the new field.
- 5) Landscaping is needed for the entire area, including seeding and fertilizing the new
- 6) An additional source of water would be desirable at the east end of the park.
- 7) A BBQ pit would be an asset at the pavilion, as would a water supply for cooking.
- 8) Additional signage is needed to commemorate the donation of the new land by the field.

Friends of the Tamburitzans and the participation in development by the Lake Nebagamon Lions' Club. A memorial plaque is also needed to commemorate the late Otto Finell, a pioneer resident and long- time Village President.

B. Ravine Park (formerly Village Park)

The second largest village park is located north of the elementary school and is bisected by County Road B. The heavily wooded area on the south side of the highway is equipped with picnic tables and BBQ grills. New handicapped accessible pit toilets were added in 1991 and, at the same time, picnic areas were better delineated and new handicapped accessible picnic tables were added. The road through the area was improved and a highway access was closed to prevent traffic from entering or exiting there.

The ice skating rink on the north side of the highway is adjacent to a small warming house. The rink is lighted for night use as well as daytime skating.

Basketball and volleyball courts were added to the park area on the north side of the highway and are used heavily by older children.

Recommendations:

- 1) The primary need at this park is a source of potable water in the picnic area. A well is located there but is not in working order and needs a new pump.
- 2) A small tot-lot play area would enhance the picnic area.
- 3) Signage is needed to direct visitors to the park and rink.
- 4) The base of the skating rink needs to be replaced with concrete to hold water and prevent seepage which has plagued the site regularly.

C. Jefferson Memorial Park (Auditorium & Public Beach)

The auditorium is a unique log structure built in 1936 by Works Progress Administration Labor and is reminiscent of the Village's logging camp origin. It is listed in the National Register of Historic Places and is one of the only two remaining representatives of the Village's culture and history. It is the cornerstone of the Village's central business district and is also the site of the municipal and police offices, the senior citizen's

nutrition program and most of the indoor social, recreational and entertainment programs. It includes a large auditorium/ballroom, a proscenium stage, storage rooms and a kitchen.

The swimming beach is used heavily during the summer by both residents and visitors. It includes a picnic area and pavilion, new playground equipment, including handicapped accessible units, and a memorial flag and flower area. The park is named for Thomas Jefferson.

The fishing dock is used by children, for the most part, but is also used as a lake viewing area.

In 2012 a rain garden was developed. Air conditioning installed into the auditorium in 2013.

Recommendations:

- 1) The approach to the fishing dock needs to be paved to provide handicapped accessibility.
- 2) The pavilion should be lighted and a BBQ grill and a source of water should be provided there.

D. Coolidge Memorial Park

The only amenity in this park presently is a sign displaying the Coolidge name.

Recommendations: none

E. Hwy B Mini Park

This attractive area was created by volunteers and is highlighted by an original mural created by renowned artist Tony Yaworski, a resident of the Village. It has a “welcome” sign and makes an excellent impression on visitors and motorists traveling on the main highway through the Village. A log planter with decorative shrubs and flowering plants is surrounded by benches and encourages pedestrians to stop and rest.

Recommendations: The mural here is a valuable and irreplaceable asset for the Village and it needs to be protected with a plexiglass cover to preserve it for the future.

F. Fitch Avenue Mini Park

This new park provides an excellent lake viewing area for residents of the nearby senior citizens’ apartments and is maintained for the most part by neighboring property owners who mow the grass regularly.

Recommendations:

- 1) Because the area is primarily for the use of the senior citizens, they should be encouraged to add some plots of flowers and maintain the area. This would not only provide some color to the area, but would also give the seniors some physical activity which would be therapeutic.
- 2) Local service organizations should be encouraged to use the gazebo as a site for some entertainment which would be suitable for the senior citizens.

G. Boat Launch

The launch pad itself was recently improved and it is more accessible to a variety of watercraft. Parking is limited.

Recommendations:

- 1) Additional parking space is needed and could be provided, somewhat, by the acquisition of a small portion of adjacent land owned by Douglas County.
- 2) Additional signage is needed here to direct launch users to nearby parking and toilets at Ravine Park and “no parking” signs are needed for areas in front of private homes.
- 3) Additional signage citing personal watercraft speed limits and safety codes, along with the telephone numbers for emergency services and the Wisconsin Department of Natural Resources is also needed immediately.

H. Cleary Park

One acre space planned for future walking trail.

Recommendations:

- 1) The trail needs regular maintenance.
- 2) At least one pit toilet is needed at the start of the trail, near the parking area.
- 3) Tenting sites were cleared, but there is no map of the trail and signage is limited. A map should be drawn and signs added.

§23.02 GENERAL RECOMMENDATIONS

The following is a list of general recommendations which the Village of Lake Nebagamon may also wish to implement. Some have already been mentioned in this report, but are elaborated upon here. Additional recommendations not previously presented are also listed.

- 1) Tri-county Recreational Trail A decisive and aggressive plan should be made immediately for connecting the Village to the nearby Tri-county Recreational Trail, which runs from Superior to Ashland, and to the newly planned Wild Rivers Trail, which will run from Superior to Spooner along a former railroad right of way. This is in high demand, but strong leadership is needed to make these a reality. Any winter recreational use depends on these trails being connected to the Village.

- 2) Maintenance The Village must work out a regular schedule for maintenance, cleaning, and garbage pick-up. Bathrooms should be cleaned at least every other day during the prime seasons and garbage cans should be emptied as needed, at least twice a week.
- 3) Signage The Village should complete a Village-wide signage plan to make sure all areas are designated and have directional signs from the main highways.
- 4) Recreational Development Map Undeveloped areas of the Village should be examined by the Parks & Recreation Committee and the Planning & Zoning Commission and an area map should be created pinpointing areas which would make good locations for future parks and recreation. This would facilitate:
- 5) Park Dedication Residential sub-dividers should be asked to dedicate a portion of their land for permanent parks and/or open space. Neighborhood parks should be acquired in this manner in newly developed areas. Local landowners should also be encouraged to dedicate land to the community for open space or recreational use.
- 6) Private Development Areas of the Village should be examined to determine sites which lend themselves to the development of privately owned recreation facilities, such as water parks and recreational vehicle campgrounds.
- 7) Service Group, Senior Citizen & Neighborhood Involvement Area service groups, senior citizens and neighbors should be encouraged to take a more active role in planning recreational activities and in park development and improvements. These should also include development of competitive sports activities and beautification projects. Continued activities of this type could help to meet the need for neighborhood facilities and supplement limited municipal funding resources providing volunteer planners and laborers.
- 8) Aid Programs Take advantage of state and federal financial and technical aid programs which are designed to assist communities in meeting recreational needs, and maintain community eligibility for such programs.
- 9) Community Beautification and Clean-Up All inhabitants and property owners in a community should recognize that community appearance is an important component of a recreation program. A rewarding program includes: well-maintained streets and sidewalks, attractive trees and shrubs, well cared for homes and commercial buildings, and neatly landscaped areas, public open space and parks are principal contributors to community beautification.
- 10) Winter Activities Since the area enjoys a long and beautiful winter, more emphasis should be placed on developing free or low-cost winter recreational activities. The existing skating rink should be maintained with more care and prepared for more effective use. At present, maintenance is often slip-shod and sporadic with little attention paid to use, which can be anticipated for weekends and the winter vacation times for school children.
- 11) Future Planning At a minimum, all communities should reassess their recreational needs near the end of the five year period covered by this plan. More frequent appraisals of needs may be called for under certain conditions such as extreme variations in funding capability, rapid population changes, actions of other units of government and private enterprise, and the recognition of new legislation, laws and public programs.
- 12) Community officials should develop five year capital improvements programs for recreation that reflect implementation of proposals made in their plans and the priorities they place on them. To be functional, the program must be flexible and be subjected to annual review. In developing a recreation program, care should be taken that the annual cost of maintenance does not exceed an amount the community can afford to pay. Too

often, an ambitious program can lose community support as a result of prohibitive maintenance costs.

- 13) Community and school officials responsible for recreation should place greater emphasis on the provision of areas and facilities that can support “lifetime” recreational activities. Falling into these category are activities like golf, tennis, all target sports, horseshoes, cross-country skiing, skating, running, volleyball, handball, badminton, backpacking, and canoeing. Too often, community and school recreation facilities are oriented to games important only to the most athletically inclined rather than to recreational opportunities for less athletically inclined men and women. In designing recreation areas, recreational needs of all members of the community should be taken into account. Many schools have successfully instituted instructional programs aimed at teaching recreational activities people can participate in for a lifetime rather than just during their youth.
- 14) Historic Sites can be rewarding additions to any community’s recreation program. This is especially true in areas oriented to serving a significant tourist trade. A study of potential areas is encouraged. Assistance and guidance for their study can be obtained from the Wisconsin Council for Local History, an organization affiliated with the State Historical Society and the Douglas County Historical Society.
- 15) The need for community officials to establish priorities within their recreation program is emphasized by the scope of previous recommendations. Although it is likely that all of these recommendations will be undertaken within the time period of this plan, there is an outstanding opportunity for inroads to be made. Recognition of increasing demands for recreation, space and facilities should prompt immediate action.

§23.03 SUMMARY AND CONCLUSIONS

Recognizing that recreation is essential to the welfare and happiness of their citizens of a community, officials must be prepared to provide the leadership necessary to implement a decisive plan for that recreation which will benefit all facets of the community. It is not sufficient to simply adopt a plan without implementation. It is imperative that those in positions of leadership establish a priority plan of action and follow it.

Too often, recreation is considered less important than other community programs. In the case of Lake Nebagamon, a bedroom community to the twin ports metropolitan area of Duluth and Superior, recreation is one of the prime reasons its citizens have chosen to live here. Almost all of the residential property is located within three to four blocks of the lake and much of the recreation, summer and winter is related to the lake.

People desire and need recreational outlets, and it is the partial responsibility of community government to see that they are provided.

Lake Nebagamon has some excellent recreation facilities that would benefit greatly from implementation of some or all of the improvements recommended in this plan. Financing and priorities have also been discussed and facilitates that would be absolutely costless to the local taxpayer are probably going to be difficult to obtain. Adoption of this plan, however, will qualify the Village of Lake Nebagamon for a number of federal and state cost sharing programs available to communities.

By adopting the enclosed resolution, the Village Board is applying for certification of the plan by the Wisconsin Department of Natural Resources, Bureau of Planning and Bureau of Aid Programs, and pledges to take whatever steps necessary to implement to plan and provide residents, property owners and visitors with the best possible parks and recreation program.

§23.08 ADOPTION OF THE LAKE NEBAGAMON OUTDOOR RECREATION PLAN

WHEREAS, the Village of Lake Nebagamon has developed a comprehensive outdoor recreation plan; and

WHEREAS, this plan outlines foreseeable outdoor recreation facility needs of Lake Nebagamon that can be adequately maintained; now

THEREFORE, BE IT RESOLVED, that the Village of Lake Nebagamon Board of Trustees hereby formally adopts the Lake Nebagamon Outdoor Recreation Plan as the official policy statement for the development of outdoor recreation programs and facilities in Lake Nebagamon.

Adopted this 28th day of May, 1996.

I hereby certify that the foregoing resolution was duly adopted by the Lake Nebagamon Village Board of Trustees at a legal meeting held on the 28th day of May, 1996.
