

**SANITARY SEWER COMMISSION MINUTES October 18, 2016 – 6:02 PM**

**PRESENT:** Commissioners: Chair, Todd Larson, Howard Levo, Bill Anderson, Operator John Stack, Maintenance Jim Dawson, and Swan Dawson.

**MINUTES:** Motion to approve September 2016 meeting minutes by Larson, second by Levo. MC

**BILLS:** Motion to approve all invoices by Larson, second by Anderson. MC

**TREASURER'S:** The Commission received over \$11,000 in delinquent sewer fees from the County. Motion to approve Treasurer's report by Anderson, second by Larson. MC

**CORRESPONDENCE:** None

**ADDITIONAL ITEMS:** None

**NEW BUSINESS:** None

**OLD BUSINESS Action Items:** Anderson researched the crushed pipe issue on County Rd. F. After review of the HydroKlean report and video, he reported the crushed pipe seems to be an unused portion of the sewer line. Material (dirt, etc.) can still get in the crushed pipe but there is not an immediate danger of someone's sewer backing up. The Commission tasked Operator Stack with talking to Matt Houston (an engineer) about possibly capping the pipe internally and the possible safety issues of tabling the fix until a later date.

Gravel was laid on the sewer pond road with grass left at the side for erosion control. The gravel needs time to settle without being dug up by the snow plow this winter. Pipe inserts were placed around the valves which was a less expensive solution that allows the insert to be raised or lowered as needed.

The tree at the cemetery lift station has been removed. The Dosing siphons will be winterized after Nov 1st.

**MAINTENANCE:** Nothing to report.

**OPERATOR'S REPORT:** Storage ponds are empty. Wetlands are as low as possible. Operator will ask DNR in the spring to keep them low in hopes to get some cattails to grow.

**CORRESPONDENCE FROM CHAIR:** Next meetings will be Tuesday, November 22nd, 2016.

**ADJOURNMENT:** Moved by Anderson, second by Larson to adjourn at 6:30 PM. MC

Respectfully Submitted ,

*Amy K. Huber*, Clerk

Lake Nebagamom Sanitary Sewer
