

The cleaning and televising work on Highway B, Bankey Rd., Dairy Queen Rd., Fitch Ave., and Woodland Trail has been completed.

The maintenance program for those residents on Phillips Rd. and Maple Creek who signed up will start the week of Monday, August 20th. **Work is being completed now and should be wrapped up the first week of September.**

- You do not need to be home for the service to be completed, but if you have replaced the locks on the equipment, they will have to be left open for the service to be performed.
- The cost of the service will be \$225 per grinder. If you share a grinder, you can split the cost.
- You will be billed by the Lake Nebagamon Sanitary Sewer after the service has been completed.
- If you have any questions please contact the Village office at 715-374-3101
