

## **COMMUNICATION BULLETIN**

### **FROM THE BOARD OF TRUSTEES, VILLAGE OF LAKE NEBAGAMON**

**JANUARY 30, 2019**

We are pleased to announce the office positions have been filled. The Clerk role will be filled by Daisha Nolan of Lake Nebagamon. Amy Huber, the former Clerk, will be taking on the role of Administrator / Treasurer / Zoning Administrator.

Amy initially indicated she would not be applying for either position, but would be available to train the incoming staff. In an effort to remain a resource for the new hires, she also turned in nomination papers to run for a Trustee spot in the April election. After this had taken place and the applicants for the positions were reviewed, the Board decided to formally request an application from Amy as she had the much needed experience in municipal office work. Unfortunately, it is too late to withdraw from the election, so her name will remain on the ballot.

Daisha moved to Lake Nebagamon from Superior in 2015. She has a background in office work, has software certifications, and is adept at serving the public. She lives near the ball field with her husband and three children, and is looking forward to taking on a larger role in our community.

Amy & Daisha will begin their new roles on February 4th. During the month of February, the office will be closed in the afternoons to allow for training and organization. If you need assistance during this time, feel free to call the office and set up an appointment.
