Emergency 911
Police Dept. - 715-374-3366
Fire Dept. - 715-374-2559

July 22, 2020

In general, please refer to the Village website and the NCA Facebook page for updated event information.

As we navigate summer in Lake Nebagamon this year, many things will have a different look and feel to them. While this often is the time that the Village becomes “a buzz” and thrives on community events and gatherings, it is important that we all continue to do our best to keep those around us safe and healthy. With that in mind, the Village Board has made the following determinations for Village owned facilities moving forward into the summer months.

Ravine Campground: It was determined by the Village Board at the July 7, 2020 Board Meeting that Ravine Campground will remain closed for camping throughout July of 2020. It is not possible for the Village to maintain the level of cleanliness that restrooms would be required to have during this time. The Board will revisit the possibility of opening Ravine Campground at a later time in the summer during their August 4, 2020 Board meeting.

Auditorium Events: It was determined by the Village Board at the July 7, 2020 Board Meeting that the Auditorium will open for events at half capacity. This will continue to be reviewed as COVID numbers from the County are monitored.

Village Office: The Village office will continue to operate by appointment only. There is now a secured lockbox located on the front of the Auditorium, to the left of the front doors. This box can be utilized for dropping off sewer payments, land use permits, any correspondence that needs to reach the office, for the return of absentee ballots, or any other materials that need to reach Board members. It is checked daily. Village Administrator Amy K. Huber and Village Clerk Daisha Nolan can be reached by email at ahuber@villagelakenebagamon.com and dnolan@villagelakenebagamon.com, respectively. The village office phone number is 715-374-3101 and has a messaging system that is also checked daily.

Beach and Lower Level Auditorium Restrooms: The basement level bathrooms at the Auditorium will be open from 10:00am - 6:00pm daily with closings subject to cleaning personnel availability. With the current established hours, a strict cleaning schedule has been set in place to assure that cleaning of the restrooms is performed multiple times a day in accordance with CDC guidelines.

Lake Nebagamon Ballfields: The ballfields will be open for use to the Quad City Baseball League, as they have presented a plan of tiered phases to implement safe social distancing during their practices and games. Bathrooms will be open during practices and games only, with a cleaning schedule to maintain proper and safe cleanliness.

2020 Fireworks: The Lake Nebagamon Community Association has decided to cancel the 2020 fireworks show. Please see their website or Facebook page for more information.

Swimming Lessons: Swimming lessons taking place in the lake have been canceled for 2020.

Rummage Sale: The Lake Association has cancelled the rummage sale, their annual meeting and the summer social.

Personal businesses around the village will be re-opening according to what they feel is best to each of them, individually. Now, more than ever, is an imperative time to support our local small shops, businesses and restaurants through what is normally their most busy time of year. Contact them directly with questions or many of them will be posting updates through social media, as they change their policies during re-opening.

It is our hope that despite these unpredictable times, our community will continue to move forward carefully and patiently, while still finding ways to enjoy the season of Summer in our beautiful Village of Lake Nebagamon.
