

How to “attend” Committee and Village Board meetings from home

The WI Department of Justice has relaxed some of the open meeting law restrictions on teleconferencing and broadcasting meetings in order for people to safely and lawfully participate in local government function from home.

The Village will be using GoToMeeting as a platform for remote participation.

- ❑ If you are “attending” the meeting from a computer, downloading an app usually isn’t necessary, you can join the meeting using a web browser. Simply click the method you wish to use. In our experiments using a tablet or smartphone, downloading the app seems to be required. It may also be necessary with some PCs.
- ❑ There is also an option to dial in from a cell phone or landline.
- ❑ Public Input can be given by emailing ahuber@villagelakenebagamon before or during the meeting, or by calling the Village Office prior to the meeting. (715-374-3101)

We thank you for your patience as we test how well this platform addresses our needs. The Board is endeavoring to create a public meeting structure that will allow our government process to continue to lawfully function, keep our employees and citizens safe, and maintain a high level of transparency while adhering to state social distancing mandates.

Any feedback offered to help improve this process will be welcomed!
