Public Input: None

Department Heads Report: Fire Chief Fuller reported Dragin Tail preparation is underway. Village Marshall Witt expressed concern for the height of Lake during this month's Fishing Opener. President Jonasen suggested a sign be posted at the landing to request cooperation from the public that a no wake speed be maintained within 300 ft of the shore through the weekend. Consensus to post was expressed.

Wake Boat Ordinance Discussion: A no wake zone of 300 feet from the shore was suggested by Village President Jim Jonasen after studies were reviewed suggesting distances between 300 and 500 feet. Due to the difficulty of enforcement and a lack of accurate studies pertaining to our lake specifically, this issue will be tabled with no ordinance action to take place.

LNVPD Fleet Replacement: Fire Chief Jake Fuller is currently researching to find available trucks.

Special Burning Permits: Fire Chief Jake Fuller explained the need for a special burning permit for those burning large structures and amounts of brush. An ordinance will be drafted to accompany the permit. This item will remain on the agenda for next month.

AFG Grant: No grant writer has been assigned yet. Village office staff will work towards making connections with Emergency Management to see what Villages and Towns want to participate.

Correspondence: None

Information from the Chair: The next regular meeting is tentatively scheduled for May 23, 2023 at 6:30pm.

ADJOURNMENT: The meeting was adjourned at 7:15pm.

Respectfully submitted,

Daisha Nolan
